* Step F will be 2.75% more than Step E. Employees must spend one (1) year at Step E to be eligible for Step F.

C. Whenever any full-time PMA member fills a temporary duty assignment in an "Acting" capacity pursuant to written direction from the City Manager or the Human Resources Director, the PMA member will receive step increases in the "Acting" position based upon standard payroll practices for giving step increases in the new grade as if the employee had been promoted. This language shall not be construed to require any specific level of pay once the "Acting" status is terminated and the employee is returned to his or her former position.

SECTION 4B. COLA ADJUSTMENTS

A. Effective July 1, of each year from July 1, 2008 through July 1, 2013,(excluding July 1, 2009) a COLA adjustment percentage increase shall be computed which shall not be less than 2% nor more than 5%.

The COLA adjustment percentage shall be determined by the rolling ten (10) year average in the CPI-U for the Boston-Brockton-Nashua- MA-NH-ME-CT all items index as computed by the Bureau of Labor Statistics of the US Department of Labor for the most recent calendar year preceding the July 1 adjustment. BLS's calendar year for this index is November through November, it is not published on a December to December basis. The reference base is 1982-1984 equals 100 until BLS updates the reference base at which time the parties agree to adopt the official reference base as used by BLS. The applicable COLA averages for the past ten years are attached as Appendix B.

Thus, if the rolling ten (10) year average of the CPI-U for the Boston SMSA (November to November) is 1.5% the applicable COLA adjustment would be 2%; if it is 3.5% the applicable COLA adjustment would be 3.5%; if it is 5.5% the applicable COLA adjustment would be 5.0%.

B. Applicability After Contract Expires:

It is clearly understood that in the event that the Working Agreement expires without a successor Working Agreement being settled prior to July 1, 2014 that no further COLA adjustments after July 1, 2013 will be generated under the Working Agreement even if the Working Agreement has an evergreen clause. It is further agreed that continuation of COLA adjustments are not to be deemed "status quo" as the term has been used by the PELRB in the event that a successor agreement has not been settled by July 1, 2014.

C. Applicability of COLA Adjustment to Salary Schedule: The COLA Adjustment percentage shall be applicable to the salary schedule for contract years 2008-09, 2010-11, 2011-12, 2012-13 and 2013-14 effective July 1, of each contract year.

The parties agree that in the event that the City approves COLA increases, general wage increases, or general bonuses for fiscal years 2009 through 2014 for any other City or School District bargaining unit, except the Association of Portsmouth Teachers, that are greater than the increases generated under the COLA Adjustment clause in this contract, members of this bargaining unit shall be entitled to the same increases. This provision will not be applicable if:

a) Another bargaining unit receives COLA increases for fiscal years 2010 through 2014 in accordance with the same COLA formula in this contract, but not for fiscal year 2009.

b) Another bargaining unit receives COLA increases for fiscal years 2009 through 2014, but the total compounded impact is less than the total compounded impact the COLA adjustments provided by this contract. The total compounded impact is measured by the total new dollars generated on $1000 in base wages over the term of the contract. For example, under this contract, $1000 in base wages would generate $507.24 in total new dollars for fiscal years 2009 through fiscal year 2014 (assuming 3.% COLA increases for fiscal years 2011 through 2014). Partial year COLA adjustments shall result in pro-rated dollar increases for such years. (See Appendix A for calculations on this contract).

c) Another bargaining unit agrees to a contract through fiscal year 2013, then negotiates a different COLA adjustment for fiscal year 2014 as a part of a successor agreement.

d) Another bargaining unit receives general wage increases that might be mandated by an outside authority such as the Public Employee Labor Relations Board or under binding interest arbitration if such legislation ever is passed and becomes applicable to the bargaining units listed above.

Full-time employees with a Masters degree from an accredited institution of higher education shall receive twelve hundred and eighty nine dollars and twenty five cents ($1289.25) for full-time employees and six hundred ninety six dollars and twenty cents ($696.20) for part-time employees, added to base salaries. B2. The City will establish as soon as possible an IRS 125 Premium Reduction Plan which employees may voluntarily participate in.

B3 Should the parties agree in writing to establish a cafeteria style plan dealing in insurance issues during the course of this five (5) year agreement - such plan would only become effective if ratified by the Association, approved by the City Manager and approved by the City Council. Additionally, the parties agree that a flexible spending account may be implemented by management either as part of a cafeteria plan or independently without any additional approvals.

B4 The Association agrees to participate in a City-wide committee to explore health insurance options.

C. Permanent Part time employees who work at least thirty hours per week will be provided Blue Cross/Blue Shield coverage as set forth above depending on their date of hire. Said employees will also be provided Delta Dental Coverage.

D. The parties agree that employees currently receiving stipends in lieu of health insurance coverage will receive two hundred and fifty dollars ($250.00) per quarter effective January 1, 2004. No additional employees shall receive such stipends when both spouses work for the City. Further the City will not provide health and/or dental coverage if an employee is already covered by the same or similar health and/or dental plan by the City or School Department.

E. Regular full-time employees and part-time employees working at least thirty hours shall have their health and dental coverage commence the first of the month after they have completed sixty consecutive days of service. Prior to sixty days of service an employee may choose to be covered but the employee will pay full cost of coverage until the sixty days have passed. An employee who desires coverage prior to the sixty days service must exercise his or her option on the date of hire.

SECTION 13. HEALTH AND WELFARE AND DENTAL COVERAGE FOR EMPLOYEES WORKING REDUCED HOURS

Any full time employee who has worked as a full time employee more than two years and whose hours are reduced to less than full time in his/her current position will be entitled to BC/BS and Delta Dental coverage with the employer and the employee contributing to the cost as set forth below.

A. The reduction in hours will be at the discretion of the City Manager, or the Police Commission as appropriate.

B. The employee must work a minimum of 25 hours per week on a regular basis.

C. Effective July 1, 2002, the employee will pay 30% of the cost of health insurance and dental insurance.

D. It is understood that it is the City's Manager's or Police Commission's option, as appropriate, to cancel the reduced hours arrangement based on 30 days notice.

SECTION 14. CLOTHING ALLOWANCE

The Deputy Fire Chiefs and Fire Prevention Officer/Safety Officer shall be provided with four-hundred fifty ($450) dollars clothing allowance per contract year to purchase both work and dress uniforms as prescribed by the Police Chief's approved list.

SECTION 15. DEFENSE OF LAW SUITS

The City shall indemnify and hold harmless any employees covered by this Agreement from any and all losses, including reasonable attorney's fees and other expenses of defense, in connection with any claim, demand, action, suit, or judgment arising out of any act or omission of the employee if, at the time of the act or omission, the employee was acting within the scope of his employment or office.

SECTION 16. MILITARY LEAVE OF ABSENCE

To foster and encourage service in the United States Military Reserve and the National Guard, the City will pay any employee who is a member of the United States Military Reserve or the National Guard, the difference between his or her military pay and the employee's regular weekly straight time pay when on normal annual training sessions. Payment of the above stated differential shall not apply to regular monthly meetings, or when the employee enters full time active duty.

SECTION 17. SENIORITY

Definition: An employee's seniority shall commence with his/her hiring date provided the employee is not discharged and is in the City's continuous employ beyond the probationary period. All employees who are not permanent shall be deemed to have no seniority status and may be discharged. For purposes of interpretation, this seniority definition applies to the date of hire to a position within this Association. This interpretation does not affect longevity or other benefits which may have been so accrued from other bargaining units with the City.

A. Forfeiture: Seniority is forfeited only by discharge for just cause or retirement or resignation. In no case will seniority be interrupted or forfeited by illness, layoff, military duty or approved leave of absence.

B. Layoffs: When it is necessary to reduce the number of employees on the City payroll because of the lack of funds, the Police Commission or the City Manager as appropriate will decide which employees will be laid off. The following factors will be considered in determining layoff:

   1. Employee efficiency will be a factor in determining the order in which the employees should be released.

   2. The advisability of demoting employees in higher classifications to lower classes for which they are qualified, and laying off those in lower classifications will also be considered.

   3. All other things being equal, consideration will be given to the employee's length of service with the City of Portsmouth in determining lay-offs.

C. Re-employment List: Employees separated from the service of the City through no fault of their own shall be placed on a re-employment list.

D. The City agrees to maintain employees on this re-employment list for twelve (12) months following the employee's date of lay off. This list will be kept for each job classification within each department.

D. If a vacancy is to be filled, it will be posted within five (5) working days in appropriate City Municipal buildings to allow Association Members an opportunity to indicate their interest in filling such positions by submitting a written statement to that effect to the City Manager, or the Police Commission as appropriate.

SECTION 18. SAVINGS CLAUSE

If any provision of this Agreement shall be contrary to any Law, such invalidity shall not effect the validity of the remaining provisions.

SECTION 19. TIME OF AGREEMENT

This Agreement shall cover a six year period commencing on July 1, 2008 and ending on June 30, 2014.

Should neither party to this Agreement initiate negotiations as required by State law, this Agreement will be considered to remain in force and to have been automatically extended.

SECTION 20. COPIES

All employees, including new employees, shall be provided with a copy of this Agreement, and all appendices at the City's expense. The Human Resources Director and the Police Chief shall comply with this provision no later than thirty (30) days after the signing of this contract.
