Nash Stream Mtg - 11/13/12

- Firewood cutting by camp owners - what is liability of state in camp lease language - used to be able to cut standing trees that staff marked, but starting last year it was changed to down material only.
- 14½ mile (Little Bog Pond) dam - where is it at on DES priority list (Bill will check w/ Jim G.)
- ATV proposal - 5-0 vote (Kelsea Notch Rd.)
- Request to access Cloutier's gas pumps from West Side Rd, since they can no longer access a gas station that they used to - decided to table item until it has been discussed w/ Forests & Lands.
- Ask A.G.'s office if it is legal to appoint alternates to the Nash Stream Committee under the statute.
