NH Farm to Restaurant Connection...

The New Hampshire Farm to Restaurant Connection (NHFRC) links New Hampshire farms and food businesses with New Hampshire restaurants.

NHFRC encourages and facilitates the purchase and use of local farm and food products for restaurant meal preparation. Everyone benefits when fresh local foods are part of restaurant fare.

NHFRC sponsors special dinner events at New Hampshire restaurants where the majority of the dinner courses are made of New Hampshire produced foods. Much as Winemaker Dinners celebrate the vintage harvest. Growers' Dinners highlight local farm and food products and their producers. Talented chefs create dishes that feature the products of selected farmers. Menus (and recipes) are created to not only promote and commemorate the event, but to use as on-going public relations for both the farms and participating restaurants. These programs also help to heighten awareness among the public for the quality, variety and availability of local products throughout New Hampshire. Both consumers and businesses are encouraged to purchase and enjoy New Hampshire's own whenever possible.

2006 New Hampshire Growers' Dinner events are as follows:

July 21: The Woodstock Inn Station & Brewery, Route 3, Main Street, North Woodstock, 745-3951.

July 29: Mountain View Grant Resort & Spa, Whitefield, 800-438-3017.

August 7: Carpaccio Ristorante Italiano, Hanover.

September 21: The Franconia Farm Inn, Easton Road, Franconia, 823-5542.

September 26: Breakfast at Blake's Ice Cream Restaurant, 353 South Main Street, Manchester, 623-7242.

November 9: Eagle Mountain House, Carter Notch Road, Jackson, 383-9111 or 800-966-5779, with NH Farm Bureau, 224-1934.
