The Current Modified Budget																							
amount is calculated																							
as a sum of:																							
Operating Budget			5,701,401,446																				
Additional Appropriations			1,200,356,159																				
Balance Brought Forward			1,137,450,574																				
Net Transfer (Inc Ctrl Amt)			-343,873,232																				
Lapse Amount			-85,737,835																				
Total			7,609,597,111																				
Any variance between the FY17 Appropriation column and the Statement of																							
Appropriation (SOA) is due to the balance forwards on the SOA being the net of																							
expenditure balance forwards reduced by revenue balance forwards
