(Misconduct Allegations)**

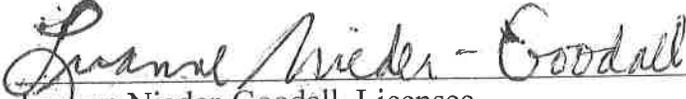

VOLUNTARY SURRENDER OF LICENSE

Recognizing that the New Hampshire Governing Board of Respiratory Care Practitioners has initiated an informal investigation against me for allegations of professional misconduct while in the employ of St. Joseph's Hospital in Nashua, New Hampshire, I, Luanne Nieder-Goodall, voluntarily surrender my New Hampshire respiratory care practitioner license effective immediately.

By surrendering my license, I understand that:

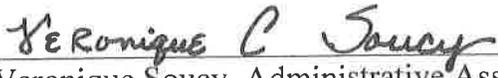

- 1) I relinquish all rights and privileges to obtain and hold a license to practice respiratory care in the State of New Hampshire and must cease all such activities immediately upon the date the Board accepts this voluntary withdrawal;
- 2) I admit to no violations of RSA 328-F:23, but recognize that should I again seek licensure in the State of New Hampshire I must meet all of the standards and prerequisites then required by the Board for new applicants, and must also address any misconduct allegations to the Board's satisfaction. I specifically waive any statute of limitations or laches defense which might then be available as to these misconduct allegations.

IN WITNESS WHEREOF, I hereby affix my signature, on this 17 day of July, 2000.

Luanne Nieder-Goodall, Licensee

ACCEPTED BY THE GOVERNING BOARD OF RESPIRATORY CARE
PRACTITIONERS on this 10th day of ~~July~~, 2000.
