

The
Annual Report
of the
BANK COMMISSIONER

163rd Edition
Year Ending 2007

*His Excellency Governor John H. Lynch
and The Honorable Council
State House
Concord, New Hampshire 03301*

Dear Governor Lynch and Members of the Council:

I respectfully submit the One Hundred Sixty-third Annual Report of the Bank Commissioner. This Annual Report is made pursuant to RSA 383:15 and covers calendar year 2007.

The year 2007 was another year of growth and profitability for New Hampshire financial institutions. Our state-chartered institutions continue to provide capital for New Hampshire businesses as well as individual citizens.

Unfortunately my prediction in the last annual report was correct. As you know, there has been increased foreclosure activity. Credit standards have tightened, for prime as well as sub-prime borrowers. While the financial services institutions in New Hampshire remain strong, the next year will continue to be challenging for the housing and home finance sectors of our economy.

Respectfully submitted,

*Peter C. Hildreth
Bank Commissioner*

Mission Statement

The New Hampshire Banking Department is committed to protecting the public's interest through professional supervision of the financial services we regulate.

Functions of the Banking Department

The Bank Commissioner is responsible for the general supervision of all New Hampshire chartered financial institutions. These institutions include commercial banks, fiduciary trust companies, mutual savings banks, guaranty savings banks, co-operative banks, merchant banks, and credit unions. The commissioner is also charged with the licensing and supervision of non-bank mortgage lenders and brokers, money transmitters, mortgage loan servicers, retail sellers, sales finance companies, small loan, title loan, payday lenders, and debt adjusters.

State laws mandate that the Department conduct examinations of each financial institution and licensed lender and broker to ensure sound financial management and compliance with state and federal laws and regulations.

The Department is responsible for the investigation of branch applications, new bank applications and conversions, merger and consolidation applications of state chartered institutions.
