Dear Mr. Herecoux:

Please be advised that this office represents the interests of [redacted] relative to their purchase of New Hampshire real estate.

As a result of several recent telephone conferences with [redacted] Scott Farrah or Financial Resources, Inc., and [redacted] I have concluded that the problems relating to an inability to close this matter are not attributable to any of the local parties. I have been advised that a specific individual in the State of California has been assigned to conduct a review of the opinion of value of a local real estate appraiser. It seems that this person (whichever he/she/it is) may be at fault for not performing their function in a timely manner. Mr. Scott Farrah of Financial Resources, Inc. has, this date, indicated to me that he has made a continuous and concerted effort to obtain that information. I believe him.

It is hoped that this matter can and will be resolved in the very near future (hopefully today).

Should you require any additional information relative to this matter, please do not hesitate to contact me.

Very truly yours,
