v.

City of Laconia

Docket No. 4859-88

DECISION

The "Taxpayers" appeal, pursuant to RSA 76:16-a, the "City's" 1988 assessment of \$286,700 (land, \$246,000; buildings, \$40,700) on Paugus Park Road, consisting of land with dwelling (the Property). For the reasons stated below, the appeal for abatement is denied.

The Taxpayers failed to appear, but consistent with our Rule, TAX 102.03(g), the Taxpayers were not defaulted. This decision is based on the evidence presented to the board.

The Taxpayers have the burden of showing the assessment was disproportionately high or unlawful, resulting in the Taxpayers paying an unfair and disproportionate share of taxes. See RSA 76:16-a; Tax 201.04(e); Appeal of Town of Sunapee, 126 N.H. 214, 217 (1985).

We find the Taxpayers failed to carry their burden and prove any disproportionality.

The Taxpayers raised several concerns in their written submission, but did not show up for the hearing. The City indicated that these concerns had been addressed and the Property had been abated. The assessment of \$286,700 represents the abated figure.

The City also presented:

- a) a list of comparable properties used in the revaluation;
- b) a spread sheet showing the comparables and various units of comparison, e.g., square feet and lake frontage;
- c) a spread sheet showing the Property; and

d) the assessment cards for the comparables. The City also showed on a city map the location of the comparables and the Property.

The City argued the assessment was proper because:

- 1) it was based on sales data of comparable properties with adequate adjustments made to reflect the Property's value; and
- 2) the same methodology was used for these types of properties.

We find the Taxpayers failed to prove their assessment was disproportional. We also find the City supported the Property's assessment.

SO ORDERED.
