

City of Claremont

Docket No.: 18398-00RA

ORDER CONTINUING HEARING

The board continues the hearing commenced on October 8, 2003 to **October 14, 2003 at 11:00 a.m.** at the board's offices located at 107 Pleasant Street, Concord, New Hampshire. The board has heard testimony from the assessor for the "City," David McMullen, and the arguments of its counsel, Matthew H. Upton, Esq. The testimony and arguments concern the City's "Motion for Extended Deadlines" which involves a request to adjust the timing of the City's reassessment so that it is effective for tax year 2004 rather than tax year 2003, as previously ordered by the board and contracted for by the City with Vision Appraisal Technology ("Vision").

Because the evidence presented reflects significant involvement of other persons with respect to the factual issues underlying the Motion, the board specifically orders the attendance of the following individuals from:

- (1) Vision – Gary Fields;
- (2) the Department of Revenue Administration – Robert Boley, Guy Petell and Robert Camp; and
- (3) the City – Guy Santagate.

These individuals are directed to appear at the continuation of the hearing on the date stated above. To assure timely receipt and compliance with these specific attendance requirements, the board is transmitting copies of this Order by fax as well as by first class mail.

SO ORDERED.
