

Dear Resident,

September is College Savings Month

During College Savings Month, the College Savings Plans Network (CSPN) will celebrate 30 Days of College Savings by sharing daily resources, tools and helpful investing information on its website <http://www.CollegeSavings.org> and via Twitter at @College_Savings. Among the tips will be information about investing in tax-advantaged 529 prepaid tuition or savings plans, which are currently offered by 48 states and are designed to encourage saving for the future higher education expenses of a designated beneficiary. Did you know New Hampshire's UNIQUE 529 college savings plan managed by Fidelity is the 3rd largest in the nation, with several hundred thousand account holders throughout the U.S. and its territories? Learn more about the UNIQUE 529 plan by visiting http://personal.fidelity.com/planning/college/content/landing_nh.shtml.cvsr.

Scam Prevention Tip – Change your passwords

It's time to take a simple step and save yourself money and headaches. Prevent scammers from getting into your online bank accounts, investment accounts and even your email accounts by changing your passwords. Make sure to use a mix of letters and numbers and special characters.
