**FROM:** Executive Councilor Christopher C. Pappas  
**DATE:** March 13, 2014

The Governor and Executive Council met on Wednesday, March 12, 2014 in the Executive Council Chamber at the State House, Concord, NH and considered an agenda of approximately 68 items.

The next scheduled Governor and Executive Council Meeting will be held on Wednesday, March 26, 2014 at 10:00 a.m. in the Executive Council Chamber at the State House Concord, NH.

### **Meeting Notes – 3/12/14**

The Executive Council convened at the State House this morning at 10am. At the beginning of the meeting, Governor Hassan marked the 50th anniversary of the state lottery and welcomed Executive Councilor-elect Joe Kenney, who will soon be sworn in to represent District 1. Here's an overview of the Council meeting, focusing on issues with both statewide and District 4 significance:

### **Nominations**

Governor Hassan nominated William Dwyer to fill out the term of departing State Treasurer Cathy Provencher; George Copadis of Manchester to another term as Employment Security Commissioner; Jeff Rose of Goffstown to a full term as DRED Commissioner; Phil Bryce to another term as Director of Parks for DRED; Carmen Lorentz to a full term as Director of Economic Development for DRED; Floyd Hayes of Bedford to the State Board of Fire Control; and Dan Will of Loudon to the Judicial Council.

### **Confirmations**

The Council confirmed Patrick McKenna as deputy commissioner of the Department of Transportation; Michael Iacopino of Manchester as a special commissioner of the Public Utilities Commission; John Merrick of Bedford to the Board of Chiropractic Examiners; Real Pinard of Manchester to the Traffic Safety Commission; Glenn Brackett of Northwood to the Public Employee Labor Relations Board; and Susan Kelly of Manchester to the Juvenile Parole Board.

### **Resignations**

After confirming him as deputy commissioner, the Council accepted the resignation of Patrick McKenna as Director of Finance for the Department of Transportation.

## **Health Marketplace**

The Council approved two contracts to support the Insurance Department's work on the federal partnership health exchange. The Department's goal is to attract more competition to the New Hampshire marketplace, and these contracts should help the department achieve that goal.

## **Health Care Cost Website**

The Council approved a contract with UNH to enhance the functionality of NHHealthCost.org, the state's award-winning website that allows consumers and businesses to cost out health services and perform research on plans. The site, which is currently offline while updated data is compiled, should be up in running in a few months.

## **Route 106 Paving**

The Council approved a \$1 million contract to repave 4.6 miles of Route 106 through Loudon.

## **MHT Solar Array**

The Council approved an amendment to a federal grant award to Manchester-Boston Regional Airport for a large solar array which reduces emissions and lowers utility costs. The amendment was needed after the installation was causing glare in the airport's control tower, and it provides for the repositioning of the panels by year's end.

Today's complete agenda is available [here](#), along with the minutes and audio of our meetings. The next G&C meeting will be held Wednesday, March 26, at 10 am at the State House. Stay tuned for future updates, and please don't hesitate to contact me with your thoughts or concerns.
