**I-89 PAVEMENT AND BRIDGE WORK SET TO BEGIN IN HOPKINTON**  
***DAYTIME LANE CLOSURES PLANNED BETWEEN EXITS 7 AND 8***

The New Hampshire Department of Transportation announces paving and bridge rehabilitation work is scheduled to begin Monday, April 7, 2008 on Interstate 89 in Hopkinton, both northbound and southbound, at Exits 7 and 8.

This daytime paving work will include a section between Exit 7 and Exit 8. Work will begin daily at 7:00 AM with one lane closed for the work zone.

Motorists should allow more time to reach their destinations during work hours. This project will continue through the summer and fall with more weeks of paving planned.

This project also includes pavement and bridge rehabilitation work between Exits 9 and 11 in New London. Much of this work will take place in 2009.

Continental Paving, Inc. of Londonderry, New Hampshire is the contractor for the \$9.7 million project. The final completion date is September 18, 2009.
