BOW BRIDGE DECK REHABILITATION PROJECT
GRANDVIEW ROAD BRIDGE OVER I-93 TO CLOSE FOR 11 WEEKS

The New Hampshire Department of Transportation announces construction work is underway on the rehabilitation of the Grandview Road Bridge over Interstate 93 in Bow.

This bridge deck rehabilitation project will require an 11-week closure of the Grandview Road Bridge to traffic, from June 18 to August 31, 2007, which corresponds with the Bow School District's summer vacation. A detour will be in place utilizing Interstate 89 southbound and NH Route 3A.

Beck and Belluci, Inc. of Franklin, New Hampshire is the contractor for the \$711,000 project, which has a final completion date of September 21, 2007.
