**ALBANY PUBLIC INFORMATIONAL MEETING**  
**REHABILITATION OF SECTIONS OF NH ROUTE 112**

The New Hampshire Department of Transportation announces a combined Public Officials/Public Informational Meeting will be held Wednesday, October 22, 2003 in Albany regarding the proposed rehabilitation of sections of NH Route 112.

This Route 112 project runs from Oliverian Brook eastward 4.5 miles to east of Rock Gorge Parking Area, and from the east end of Lower Falls to Passaconaway Road (approximately one-half mile). The roadway will be widened to provide an 11-foot lane and five-foot shoulder in each direction, along with drainage and guardrail improvements.

The October 22 public meeting to display the current plans and obtain input will be held at the Albany Town Hall, 1972 Route 16 in Albany, New Hampshire. It will begin at 7:00 PM and be followed by a question and comment period.
