**ROAD RECONSTRUCTION ON US ROUTE 4 IN CANAAN**  
***PROJECT INCLUDES NEW BRIDGE OVER THE MASCOMA RIVER***

The New Hampshire Department of Transportation announces work is beginning this week on the reconstruction of 1.25 miles of US Route 4 in Canaan. This project also includes the replacement of the US Route 4 Bridge over the Mascoma River.

The road reconstruction work is expected to take up to five weeks to complete. Motorists can expect one-way alternating during daytime hours. Travel through the work zone will be on crushed gravel for the next several weeks.

Motorists traveling on US Route 4 in Canaan should expect minor delays and proceed with caution through the work zone.

R.S. Audley, Inc. of Bow, New Hampshire is the general contractor for the \$2.18 million project, which has a final completion date of spring 2005.
