**BRIDGE REPAIRS ON THE EVERETT TURNPIKE IN MERRIMACK**  
***WILL REQUIRE NORTHBOUND LANE CLOSURE FOR THREE DAYS***

The New Hampshire Department of Transportation announces bridge repairs are scheduled to occur on the F.E. Everett Turnpike Bridge over the Souhegan River in Merrimack over three days, beginning Tuesday, March 2, 2005.

This bridge joint work will require a northbound lane closure daily from 9:00 am to 3:00 pm through Friday, March 4. Warning signs and cones will alert motorists to the lane closure and guide them through the work zone.

In the event of inclement weather, this work will be postponed until the following workday.
