COMMUNICATIONS CABLE WORK AT BEDFORD TOLL
WILL REQUIRE A POLICE ROLLING ROADBLOCK ON MARCH 17

The New Hampshire Department of Transportation announces that the planned installation of a communications line connecting the northbound and southbound buildings at the Bedford Toll (Exit 12) on the Everett Turnpike will take place on Thursday, March 17, 2005.

This work will require a rolling roadblock of short duration by New Hampshire State Police. It will begin at 9:00 am and will also require blocking one entrance ramp at Bedford Road.
