**BRIDGE REPAIRS IN FARMINGTON WILL REQUIRE SINGLE LANE
NH ROUTE 75 (ELM ST.) OVER DAMES BROOK WORK WILL TAKE 6 WEEKS**

The New Hampshire Department of Transportation announces bridge repairs are scheduled to begin Tuesday, April 5, 2005 in Farmington on the NH Route 75 (Elm St.) Bridge over Dames Brook.

This deck repair work will require single lane traffic controlled by a temporary traffic signal for six weeks. Warning signs, concrete barriers and the temporary signal will guide traffic through the work zone. Drivers should use caution when proceeding through the work area.
