RECONSTRUCTION OF NH 111A/LANGDON ROAD INTERSECTION IN WINDHAM
WILL REQUIRE ALTERNATING ONE-WAY TRAFFIC DAILY

The New Hampshire Department of Transportation announces work is scheduled to begin Wednesday, July 6, 2005 on the reconstruction of the intersection of NH Route 111A and Langdon Road in Windham.

This project will require alternating one-way traffic between 7:00 am and 7:00 pm daily. Traffic will be maintained on a gravel surface for approximately one month while the road reconstruction and drainage work is taking place. Flaggers and uniformed officers will be used to assist motorist through the work zone. Delays should be expected during high traffic volume periods.

N. Pandelena Construction Co. Inc. of Hampstead, New Hampshire is the general contractor for the \$373,000 project, which has a scheduled completion date of September 2005.
