CHESTERFIELD PUBLIC INFORMATIONAL MEETING
RECONSTRUCTION OF A SECTION OF NH ROUTE 63

The New Hampshire Department of Transportation announces a Public Informational Meeting will be held on Monday, August 22, 2005 to discuss the planned reconstruction of a three-quarter mile section of NH Route 63 along Spofford Lake in Chesterfield.

This project begins on NH Route 63 at the northern end of the intersection with Silverdale Road and continues north approximately three-quarters of a mile to just north of the intersection with North Shore Road. The purpose of this meeting is to provide an opportunity for an informal discussion and exchange of ideas on the proposed project, which may have an effect on a potential historic district.

The August 22 public meeting will be held at the Chesterfield Town Hall, 518 Route 63, Chesterfield, New Hampshire. The 7:00 pm meeting will be followed by a question and comment period.
