WORK SCHEDULED ON NORTHBOUND LITTLE BAY BRIDGE IN NEWINGTON
WILL REQUIRE MORNING LANE RESTRICTION ON NH ROUTE 16 FOR FIVE DAYS

The New Hampshire Department of Transportation announces bridge repairs are scheduled to begin Monday, October 3, 2005 on the northbound Spaulding Turnpike (NH Route 16) Bridge over Little Bay in Newington.

This bridge deck repair work will take place daily from 4:00 am until 11:00 am for five days. In order to complete the work, northbound traffic will be restricted to one lane for those seven-hour periods. Warning signs, cones and uniformed officers will help guide motorists through the work zone. Motorists are urged to proceed through the work zone with caution.

In the event of inclement weather, work will be postponed until the following work day.
