BRIDGE REPAIRS ON NH ROUTE 140 IN ALTON
WILL REQUIRE SINGLE LANE TRAFFIC FOR TWO WEEKS

The New Hampshire Department of Transportation announces bridge repairs are scheduled to begin Monday, July 11, 2005 on the NH Route 140 bridge over the Merrymeeting River in Alton.

These bridge deck repairs will require single lane traffic daily from 6:00 am until 2:30 pm for approximately two weeks. Warning signs, cones and flaggers will be used to guide motorists through the work zone.

Motorists are encouraged to drive with caution through the work zone area and to use alternate routes if possible.
