STRATHAM PUBLIC INFORMATIONAL MEETING
BYPASS SHOULDER ON NH ROUTE 108

The New Hampshire Department of Transportation announces a Public Informational Meeting will be held Thursday, April 27, 2006 in Stratham to discuss proposed improvements to a section of NH Route 108.

This project involves the widening of NH 108 on the westerly side, beginning approximately 350 feet south of Squamscott Road and ending approximately 300 feet north of Squamscott Road to provide a bypass shoulder.

The purpose of this meeting is to present citizens and public officials with information regarding the proposed project and to solicit input in order to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment.

The April 27 public meeting will take place at the Stratham Municipal Center, 10 Bunker Hill Avenue, in Stratham, New Hampshire, beginning at 7:00 pm.
