ROAD PROJECT BEGINS IN CLAREMONT-NEWPORT
RECONSTRUCTION OF 3.8 MILES OF NH 11/103

The New Hampshire Department of Transportation announces construction work is underway on the reconstruction of 3.8 miles of NH Route 11/102 in Claremont and Newport. Initial work this fall involves tree clearing and utility relocation.

This project consists of pavement widening and road reconstruction, as well as the replacement of the NH 11/103 bridge over Ram Brook in Newport.

R.S. Audley Inc., of Bow, New Hampshire is the general contractor for the \$12.1 million project, which has a final completion date of September 2008.
