NEWTON ROAD CLOSURE PLANNED FOR RAIL CROSSING WORK
NEWTON JUNCTION ROAD TO BE CLOSED FOR 36 HOURS

The New Hampshire Department of Transportation announces the planned closure of Newton Junction Road in Newton to allow for the replacement of a railroad crossing.

This rail crossing work and associated road closure will begin on Wednesday, October 11, 2006 and is expected to last up to 36 hours. Electronic message boards on NH Routes 125 and 108 will alert motorists to the temporary road closure.
