FINAL MEETING SET FOR UPDATING STATE BICYCLE ROUTE MAPS

TERRAIN LAYER AND RECREATIONAL LOOPS AMONG ITEMS TO BE ADDED

The New Hampshire Department of Transportation announces a final Public Meeting for input on the State Bicycle Route Maps will be held Wednesday, October 24, 2007 in Concord.

Following several public meetings across the state, this meeting will display the final version of the new Statewide Bicycle Route Maps for public comment. Interested persons are encouraged to attend this meeting to get a preview of the maps and to make any final comments before printing.

The maps are being revised to be more "user friendly" with features such as Relief, Off Road Trails, and Recreational Loops. An electronic version of these maps will be developed over the next year and will be available on the Internet for public use.

The October 24 meeting will start at 7:00 pm in Room 114 at the New Hampshire Department of Transportation, 7 Hazen Drive in Concord NH.
