BRIDGE REPAIRS ON I-93 SOUTHBOUND IN CONCORD
LANE CLOSURES FOR THREE DAYS TO FIX EXPANSION JOINT

The New Hampshire Department of Transportation announces bridge repairs are scheduled on the Interstate 93 (Everett Turnpike) southbound bridge over Hall Street in Concord from Monday, January 7 through Wednesday, January 9, 2008.

This bridge expansion joint repair work will take place between 9:00 am and 3:00 pm daily and will require lane closures. Motorists should plan accordingly and expect some delays.
