**PELHAM PUBLIC INFORMATIONAL MEETING**  
***IMPROVING SAFETY AND CONGESTION THROUGH THE TOWN CENTER***

The New Hampshire Department of Transportation announces a Public Informational Meeting will be held Wednesday, December 17, 2008 to gather public input on alternatives developed to improve safety and alleviate congestion through the Pelham Town Center.

Local and regional citizen involvement is sought to develop a transportation solution that improves traffic flow while maintaining or improving the character of the area. The purpose of this meeting is to present citizens and public officials with information regarding the proposed project, and to solicit public input in order to ensure that project decisions meet public transportation needs, community goals, and protect and enhance the environment.

This project may have an impact on historic properties. Additional information concerning impacts to historic properties will be provided at the public informational meeting.

The December 17 public meeting will be held at 7:00 pm in Sherburne Hall at the Pelham Town Hall, 6 Village Street in Pelham, New Hampshire.
