**NIGHTTIME LANE CLOSURE ON I-93 SOUTHBOUND IN AREA OF EXIT 5 IN
LONDONDERRY**
TWO NIGHTTIME LANE CLOSURES

The New Hampshire Department of Transportation announces that I-93 Southbound, just north of Exit 5 in Londonderry, will be reduced to one travel lane during the nights of Tuesday, September 1 and Thursday, September 3. Weather dependent, lane closures will be between 9:00 pm and 6:00 am both nights.

Motorists using I-93 Southbound in this area during these nighttime hours can expect minor delays as traffic reduces to one lane through the work zone. Exit 5 on and off ramps will not be impacted by the lane closure.

This work is part of the Salem-Manchester I-93 widening project. The general contractor for this segment of the project is Severino Construction of Candia, New Hampshire.
