

WELCOME TO AUTOMATED FUELING SYSTEM

This equipment will provide fuel for authorized users 24 hours a day, 7 days a week.

If you cannot obtain fuel please contact:
Site Manger at your current fueling location or call
Fuel Distribution: 7:00 a.m.- 3:00 p.m. at 271-2056
or TMC: 3:00 p.m.-7:00 a.m. at 271-6862

OPERATING INSTRUCTION

1. Approach the Automated Fueling Terminal.
The display must read **“Welcome - Present Tag – Swipe Card”** to start a fueling transaction.
If no message appears, and the system is not working between 7:00-4:00 please call 271-2057.
2. If the terminal appears to be operational place **“Vehicle Tag”** against the red circle on terminal. The display will respond with, **“Enter Pump Num”**, enter desired pump number and push **“OK”**.
3. The display should respond with, **“Enter OdoMeter”**, now enter odometer reading and push **“OK”**.
4. The display should respond with, **“Vehicle Accepted Please Present Driver ID”**, now slide your **“Driver Card”** or select the **“F3”** button and enter the six digit number printed on the bottom of your driver card. (A **“6”** should precede a five-digit card number or a **“60”** should precede a four-digit card number.)
5. Go to the pump you have selected, remove the hose nozzle, turn the reset handle to the **“ON”** position. Pump the required fuel, turn the reset handle to the **“OFF”** position and place the hose nozzle back in it’s resting place. You should have had a successful fueling of your vehicle.

To prevent spills, DO NOT leave hoses unattended.

If you have problems, repeat steps 1 thru 5, or contact the Site Manager at your location.

If you need further assistance call the Fuel Distribution Section in Concord at 271-2056.
