

SUPPLEMENTAL SPECIFICATION

**AMENDMENT TO SECTION 591 – STRUCTURAL PLATE PIPES,
PIPE-ARCHES, AND ARCHES**

The purpose of this Supplemental Specification is to expand LRFD Bridge Construction Specifications to include the assembly and installation of structural plate structures.

Amend 3.1.2 to read:

3.1.2 Fabrication, **assembly**, and **installation** of structural plate structures shall be as specified in the AASHTO “LRFD Bridge Construction Specifications” unless otherwise specified hereinafter.
