Dear Ms. Cloutier:

I am pleased to notify you that you were selected as a 2009 President's Council on Physical Fitness and Sports (PCPFS) Community Leadership Award Winner.

John Corrigan nominated you for this award based on your commitment to improving the health and lives of others by promoting or enhancing physical activity, fitness, or sports opportunities.

Inactivity is a nationwide problem that affects people of all ages and abilities. The council members who selected this year's winners recognize the importance of people like you who are motivated and willing to help others experience the mental and physical benefits that physical activity and sports provide. On behalf of those members and past Executive Director, Melissa Johnson, I commend your dedication to inspire others into action.

Congratulations on receiving this honor. I wish you continued success in your health and fitness endeavors.

Sincerely,
