RE: SNHPC FY 2015 – FY 2018 TIP Revisions – August 2016

Dear Mr. Watson:

The purpose of this letter is to inform you that we have adopted a change to the SNHPC FY 2015 - FY 2018 TIP. The change, made under the expedited TIP revision procedures in the SNHPC Prospectus, was completed in response to a request made by your office on August 5, 2016.

It is our understanding that the effect of this change on the fiscal constraint of the STIP will be considered as part of the next full amendment or update. It was previously determined through the Interagency Consultation process that the changes do not impact the air quality analysis used for the current conformity determination.

If you have any questions or require further information, please do not hesitate to call me at (603) 669-4664 or dpreece@snhpc.org.

Sincerely,

SOUTHERN NEW HAMPSHIRE
