

## SPECIAL DATA CALL RELATED TO NEW HAMPSHIRE FLOOD EVENT - MAY, 2006

### INSTRUCTIONS

1. Submit five reports as follows:

Claims Reported <u>as of</u>	Report <u>Due</u>
June 1	June 15
June 15	June 30
July 1	July 17
July 15	July 31
August 31	September 15

2. Submitted data should reflect claims specific to New Hampshire exposures and related to the rain storm and subsequent flooding, starting on or about Friday, May 12 and continuing into the middle of the next week or beyond.
3. All claims should be included in the report, whether the insured had specific coverage for flood loss or not. Reported counts should balance to the sum of closed (with and without payment) and open counts. The Department asks that ALAE not be included in NH Loss Dollars.
4. Dollars should be expressed as whole dollar values and not be shown in thousands (000's omitted).
5. Only one report per affiliated group of insurance companies should be submitted. The data submitted should reflect the accumulated values for all companies in the group.
6. It is important to provide a contact person who has sufficient knowledge about the preparation of the report in order to expedite the answering of questions the Department may have.
7. A section labeled National Flood Insurance - WYO has been included. Companies who are part of this program should submit data related to such policies in this section.
8. NHID Contact: David Withers, P&C Actuary (603) 271-2261 david.withers@ins.nh.gov
9. The Department's website contains the form in Excel spreadsheet or PDF format.
10. The completed form may be sent to the Department contact via e-mail or by mailing to:
