RE: Deletion of Producer Limited Lines of Authority

Effective December 21, 2007, The New Hampshire Insurance Department will no longer issue the following Limited Lines of Authority for Producer licenses:

- Auto Physical Damage and Mechanical Breakdown (APDMB), exam series 12-69
- Home Warranty, exam series 12-70
- Pre-need Funeral, exam series 12-71

Corresponding licensing examinations will also no longer be offered.

Licensees who currently hold the Pre-need Funeral Limited Line of Authority will be assigned the Life Line of Authority, as this will be the LOA required to sell these products. Resident producers affected by this change will be notified in advance of their Continuing Education requirements as required by NH RSA 402-J:7 and INS 1300.

All future resident applicants interested in selling the Pre-need Funeral product will be required to pass the Producer's Examination for Life Insurance series 12-61 or the Producer's Examination for Life, Accident and Health Insurance series 12-63. Non-residents will be issued licenses on a reciprocal basis as specified in NH RSA 402-J:16.

There are currently no active licensed Producers who hold the APDMB or Home Warranty limited lines of authority.

Any questions regarding this Bulletin should be directed to: Clinton Lane, Licensing Division Manager, at (603) 271-0203.
