7.	Citation to State	Requirements Financial/Regulatory Filings: The applicant must provide the following: a. A copy of the most recent report of the independent auditor. b. Copies of the audited financial statements for the last three years. Financial statements must demonstrate that the applicant has minimum capital and surplus, or the equivalent, of at least \$250.0 million. If the applicant is an association, including incorporated and individual unincorporated underwriters, statements must demonstrate that the applicant has capital and surplus equivalents (net of liabilities) of at least \$250.0 million and a central fund containing a balance of at \$250.0 million. Please note the following requirements with respect to these financial statements: • Audited U.S. GAAP basis statements must be submitted if available. • Audited IFRS basis statements are acceptable with permission of the Commissioner, but must include an audited footnote reconciling equity and net income to a U.S. GAAP basis and certified by an officer of the applicant. • Upon the initial certification, the Commissioner may consider audited financial statements for the last three years as filed with the applicant's non-U.S. jurisdiction supervisor. If the Commissioner accepts such statements in the initial filing, the applicant must acknowledge and commit that future financial statement filings will include the appropriate reconciliation to a U.S. GAAP basis, as indicated above. c. A copy of the Actuarial Opinion and other regulatory filings, as filed with the applicant's domiciliary supervisor. NOTE: a stand-alone Actuarial Opinion is		Reference and Supporting
