

**THE STATE OF NEW HAMPSHIRE
INSURANCE DEPARTMENT**

In re James Joseph Dillon: INS 16-019-EP

Order on Assented to Motion to Continue

The hearing in this matter is set for October 6, 2016. On September 23, 2016, the respondent filed an email request to postpone the hearing for two weeks. The respondent stated in his email that the department had agreed to the extension. The clerk has provided a copy of the email to all parties. The hearing officer reads the request as an assented to motion to continue hearing.

The motion does not comply with Ins. 204.08 (formatting), Ins. 204.09 (document delivery), nor Ins. 204.12 (requests for continuances must be grounded in good cause). The relevant department standards are available at http://www.gencourt.state.nh.us/rules/state_agencies/ins200.html. As the motion is assented to and the balance of the rules at issue are technical in nature, the hearing officer will consider the motion, directing the respondent that all further actions in this matter must be made consistent with Ins. 200.

The motion to continue is **Granted** as to the general issue of a continuance. The clerk shall reschedule the matter as the calendar permits and attempt to comply with the respondent's two-week time frame.

Lastly, the clerk shall make the September 23, 2016 email that contained the request to postpone part of the official record if it has not already been made part of the record.

SO ORDERED
