NH Insurance Department to Host Public Information Sessions on Health Care Networks

Concord, NH – The New Hampshire Insurance Department will host two information sessions in June on the health care provider networks likely to be available through New Hampshire’s health insurance exchange in 2016.

The first session will take place June 5, from 10-11:30 a.m. in Concord, at the Brown Building Auditorium, 129 Pleasant St. The second will be held June 25, from 1:30-3 p.m. in West Lebanon, at the Kilton Library Community Room, 80 Main St.

Both sessions will be free and open to the public. Members of the New Hampshire Insurance Department will share information about the networks proposed by the five insurance companies that have applied to offer plans on the New Hampshire Marketplace in 2016: Anthem Blue Cross Blue Shield, Ambetter from New Hampshire Healthy Families, Harvard Pilgrim Health Care of New England, Minuteman Health, and Community Health Options. The presentation will focus on the types of plans (HMO, PPO, POS, etc.) that will be offered and on the hospitals included in the plans’ provider networks.

“In 2016, New Hampshire residents will again have a variety of networks and plan designs to choose from,” said New Hampshire Insurance Commissioner Roger Sevigny. “Consumers this year have benefited from competition and increased choice on the exchange, and we are pleased to see healthy marketplace trends continuing into the following year.”

To reserve a seat for either information session, please email Danielle.Barrick@ins.nh.gov and specify which session you would like to attend.

The New Hampshire Insurance Department’s mission is to promote and protect the public good by ensuring the existence of a safe and competitive insurance marketplace through the development and enforcement of the insurance laws of the State of New Hampshire.
