NH Insurance Department Offers Lost Life Policy Locator Service to Residents

Concord, NH – The New Hampshire Insurance Department has created a Lost Life Policy Locator service to assist Granite State residents and their families in locating life policies and annuity contracts that have been purchased in the state.

“We developed this service to help those who have lost a loved one and suspect that he or she may have purchased an annuity contract or life insurance policy in the state,” said New Hampshire Insurance Commissioner Roger Sevigny. “We know that during this difficult time, tracking down a policy is often the last thing someone wants to think about. The New Hampshire Insurance Department can help.”

The Insurance Department is working with 312 licensed life insurance companies to make the search seamless for New Hampshire residents. The Department’s website features a request form, which residents may download and fill out: <http://www.nh.gov/insurance/lah/lost-life-policy-locator.htm>

The form contains detailed instructions on what information to include and how to return it to the Insurance Department. If you have any questions, please call the Insurance Department's Consumer Services division toll-free at (800) 852-3416, or email consumerservices@ins.nh.gov.

The New Hampshire Insurance Department’s mission is to promote and protect the public good by ensuring the existence of a safe and competitive insurance marketplace through the development and enforcement of the insurance laws of the State of New Hampshire.
