

Public Access

Recommendation 9: All courts must meet or exceed the requirements of state and federal laws pertaining to accessibility.

The Bureau of Court Facilities of the Department of Administrative Services has received approval from the Court Accreditation Committee to spend \$50,000 on renovations to the Strafford County Superior Court to make it fully accessible to all citizens.

Since August 2006, the Bureau of Court Facilities has completed 80 of 186 improvements listed in the Americans with Disabilities Act survey plan conducted by Cheryl Killam, the Accessibility Specialist for the Governor's Commission on Disability.
