## Meeting Plan and Budget

### Traditional Arts Apprenticeships

Master Artist name:
Apprentice name:

#### MEETING PLAN

A **Traditional Arts Apprenticeship** is a period of intensive study between a master artist and an apprentice. The apprenticeship should take place over a **6 - 10 month period** and a master and apprentice should meet for a **minimum of 65 hours total**.

Please plan your meetings below. You will use the **Total # of meetings** to calculate mileage and the **Total # of hours** to calculate the master artist fees. Please fill in blue cells.

Item	Response	
Total number of months (minimum of 6)		
# of meetings per month		
<b>Total # of meetings</b> (multiply months x # of meetings)		Use this number to calculate mileage request
# of hours per meeting		
<b>Total # of hours</b> (multiply # of hours x # of meetings)		Use this number to calculate master artist fees

#### MASTER ARTIST BUDGET | Maximum Request \$3,000.00

	# Hours	Total
Number of hours at \$30/hour (For the total, multiply total # of hours by \$30)		

**Supplies** (If it is necessary to purchase supplies or materials for the apprenticeship, please list them and the estimated costs in the blue fields. Materials should be consumable supplies such as wood splints, fabric, feathers, guitar strings, audio cassette tapes, etc.)

	Estimated Cost
<b>Total master artist supplies</b> (this row cannot exceed \$500.00)	

Master artist travel (Please fill out blue fields.)	From	To
	# miles round trip	# of meetings
(Multiply # of miles x # of meetings)	Total # of miles	
(Multiply total # of miles x \$.67)	<b>Total master mileage request (\$.67/mile)</b>	

Other expenses (please list)	Cost
<b>Total master artist other expenses</b>	
<b>TOTAL MASTER ARTIST REQUEST</b> (Add total hours + total supplies + total mileage + total other expenses. This row cannot exceed \$3,000.00)
