Youth Arts Project (YAP) Grants fund high-quality and experiential educational opportunities in the arts. Grants fund programs in all arts disciplines including dance, theatre, media, music, visual arts, craft, and creative writing. NHSCA is committed to sustaining the capacity of teaching artists and supporting their impact on local communities. Engaging teaching artists to lead the arts learning is a core element of this program.

### ***Making the Project Accessible to All***

Recipients of public funding are required to make reasonable efforts for projects to be accessible to the public. Applicants should consider physical and programmatic accessibility as an integral part of the planning and budgeting process. Accessibility involves both the location (the facility) and the content (the activity or product). Thinking about accessibility issues in the early design and planning stages of a project (e.g., accessible websites, sign language interpreters, recordings of printed materials, audio-description, or large-print labeling) is key to ensuring that persons with disabilities will be able to participate. Expenses for accessibility measures should be reflected in your project budget. For information and resources, see [Making Your Programs and Services Accessible](#) on the NHSCA website.

### **HOW TO APPLY**

Applicants are strongly encouraged to discuss their proposals with the appropriate grant coordinator before writing and submitting applications. Applicants should also review the [legal and reporting requirements](#) relevant to State Arts Council grants. The grant program coordinator will review and provide feedback on drafts of narrative questions and budgets if submitted **by email at least two weeks prior to the application deadline. First time applicants are especially encouraged to submit drafts and discuss the process with their grant coordinator. The NHSCA grants team prioritizes one-on-one support during the grant application process.**

### ***Submitting the Application***

NHSCA uses an online application system, [Submittable](#). Please [visit the grant page](#) for instructions. **The online system cannot be used to submit drafts.** Errors and omissions may affect a panel's evaluation of the application, so please follow instructions and prepare the application carefully. We recommend you **keep a copy for your files.**

- Watch [instructional videos](#).
- [Click here](#) to start the online application.
- [Click here](#) to download the Budget Form in MS Excel or PDF format.

### ***Deadline***

Applications must be completed online by 11:59 pm on **April 12, 2024**. Late applications will not be accepted. The Council cannot accept applications transmitted by e-mail and is not responsible for uncompleted online applications or paper applications lost in transit.

## Youth Arts Project Grants

Projects occurring between July 1, 2024- June 30, 2025

**Deadline: April 12, 2024**

*All grant categories and amounts are subject to change, depending upon availability of state and federal funds in any fiscal year. NHSCA funds cannot be matched by other awards from the NHSCA or National Endowment for the Arts.*

### REVIEW PROCESS

A panel with expertise in the focus area of the grant category meets to review and rank applications according to the funding criteria listed. Whenever possible, a State Arts Councilor attends the meeting. After discussion and review of work samples submitted, applications are ranked by the panel. Funding recommendations are forwarded to the State Arts Councilors, a volunteer 15-member advisory council appointed by the governor, for review and approval. If the organization's cumulative total of grants received from the State Arts Council for that fiscal year (July 1 - June 30) is \$10,000 or more, the grant recommendation must also be submitted to the Governor and Executive Council for approval. Errors and omissions may affect a panel's evaluation of your application, so please follow instructions and prepare your application carefully.

### RECEIVING AN AWARD

#### ***Notification of Award***

No formal announcement regarding a funding decision and/or grant amount will be sent to any applicant until after the Council meeting ([meeting dates](#) are listed on the NHSCA website). At that time applicants will receive official notification of the Council's action, as well as panel comments. Whether or not a grant is awarded, these comments should help in the development of future applications. This notification may take 12 weeks or longer after the application deadline.

Please note if you are awarded and accept this grant, the applicant and grant details will be listed in the relevant Fiscal Year [Grant Report](#) in order for us to be transparent about how public grant funds were expended. If you have any questions, please reach out to the grants coordinator.

#### ***Payment***

NHSCA disburses funds appropriated from public sources, both federal and state. Checks are issued by Administrative Services of the State of NH, not the Department of Natural and Cultural Resources or the NHSCA. Upon receipt of properly executed grant forms, the State of New Hampshire generally pays grants under \$10,000 to grantees within four to six weeks. If an organization is awarded \$10,000 or more or has received other NHSCA funds which bring the cumulative total received for that fiscal year (July 1 - June 30) to \$10,000 or above, grants must be approved by Governor and Executive Council; consequently, payment can take up to 10 weeks. All awards are subject to availability of state and federal funds. Please plan cash flow accordingly.

Recipients of grant awards will be required to provide the following along with the signed grants paperwork:
