# Arts in Healthcare Symposium

for Healthcare Leaders & Practitioners

The arts support healing and wellness – both for those receiving and those giving care – by offering a natural, evidence-based, cost-effective complement to treatment. Engaging with the arts encourages creative approaches to healing and wellness, and offers people a sense of self and wholeness when they are feeling most fragile.

**A Day of  
Professional Development,  
Dialogue and Inspiration**

**June 8, 2013**

at Concord Hospital, Concord, NH  
9:30 am- 2:30 pm

**Keynote Speaker Gary Christenson, M.D.,  
President, Global Alliance for Arts and Health**

Workshop will help prepare artists to be part of a healing environment where they provide hands-on work to improve people's quality of life. Participants will also learn about grant & partnership opportunities.
