Case No. F-0134
Decision No. 2008-008

ORDER ON MODIFICATION PETITION

The parties' filed an assented to Modification Petition that requested the removal of the position of Firefighter/Fire Inspector from the above-named certified bargaining unit. The certification on record with the Public Employee Labor Relations Board, dated June 19, 1989, provides that the bargaining unit shall consist of lieutenants and firefighters only. (See Case No. F-0134). The record fails to reflect any subsequent modification to the certification from its effective date of June 19, 1989. As a result, the position of Firefighter/Fire Inspector is presently excluded from the existing certified bargaining unit. Accordingly, the parties' assented to Modification Petition is hereby **DISMISSED**.

Signed this 16th day of January, 2008.
