Neither the Town nor the Union shall interfere with the rights of employees covered by this Agreement to become or not become members of the Union, and there shall be no discrimination against any such employees because of lawful Union membership or non-membership activity or status.

Neither the Town nor the Union shall discriminate against any employee covered by this Agreement in a manner which would violate any applicable laws because of race, creed,

color, national origin, age, sex or physical handicap, except as any of these factors may be bonafide occupational qualifications.

ARTICLE VI

WORK RULES

- A. The Town may prepare, issue and enforce rules and safety regulations necessary for the safe, orderly and efficient operation, which are not inconsistent with this Agreement.
- B. The Town shall have the right to make regulations for the safety and health of its employees during their hours of employment. Employees shall comply with all safety rules and regulations established by the Town.

ARTICLE VII

GRIEVANCE PROCEDURE

- A. A grievance is defined as an alleged violation of a specific Article and Section of this Agreement arising under and during the term of this Agreement.
- B. If any grievance arises during the term of this Agreement, there shall be no stoppage or suspension of work but such grievance may be submitted to the following grievance procedure. Each step must be strictly adhered to or the grievance shall be deemed abandoned. Workdays as referred to in this article are defined as the administrative workdays of Monday through Friday.

Step One Within ten (10) working days of the time a grievance arises; an employee shall present the grievance orally to his/her supervisor. Unless the supervisor determines otherwise, the meeting will occur immediately before the end of the employee's work shift. The employee's Union representative may be in attendance if the employee so requests. If the grievance is not satisfactorily adjusted, the employee may submit a written grievance at Step Two.

Step Two If the grievance is not resolved in Step One, within five working days (5) days the employee may reduce his grievance to writing on the grievance form and present the grievance to the Department Head, or his/her designated representative, for a written answer. It shall name the employee(s) involved, shall state the facts giving rise to the grievance, shall identify the provisions of this Agreement alleged to be violated by appropriate reference, shall state the contention of the employee and of the Union with respect

to these provisions, shall indicate the relief requested, and shall be signed by the employee. The Department Head, or his/her designated representative, shall give the employee an answer in writing no later than ten (10) working days after receipt of the written grievance. The Department Head may schedule a conference with the Union, if it is deemed necessary, to review the grievance.

Step Three

If the grievance is not resolved in Step Two, the Union may within five (5) working days after the receipt of the answer, or the date on which the answer was due in Step Two, appeal the grievance to the Town Administrator. The appeal shall be in writing and it shall include the written grievance and the Department Head's answer and shall specify the basis of the appeal. A copy of the appeal shall be sent to the Department Head. The Union may, at the same time the written appeal is filed, submit a written request to the Town Administrator for a meeting between the Union and the Town Administrator, or his/her designated representative, to attempt to resolve the grievance. The meeting will be at a mutually agreeable time and will take place within ten (10) working days after receipt of the written appeal and the request for a meeting. If the Union does not request a meeting, the Town Administrator, or his/her designated representative, may schedule a conference with the Union, if it is deemed necessary, to review the grievance. The Town Administrator, or his/her designated representative, shall give the Union an answer in writing no later than ten (10) working days after receipt of the written appeal.

The parties acknowledge that the Town Administrator can hear the appeal and still represent the Town or provide guidance to Department Heads at other levels of the grievance procedure. Such representation shall not be deemed violative of the agreement or otherwise inappropriate.

Step Four

If the aggrieved employee is not satisfied with the decision of the Town Administrator the employee shall submit written notice to the Board of Selectmen and a copy to the Union including (1) a statement of the grievance and relevant facts, (2) specific provisions(s) of the contract violated, and (3) remedy sought. The grievance must be submitted to the Board of Selectmen in accordance with the following procedures:

- a. The employee will submit the grievance in writing to the Board of Selectmen within five (5) working days of receipt of the Town Administrators decision.

- b. The Board of Selectmen will respond with a written decision within twenty (20) working days of receipt of the grievance.

Step Five

If the grievant(s) and/or the Union is not satisfied with the decision of the Board of Selectmen, the Union may file within twenty (20) work days, following receipt of the decision of the Board of Selectmen, a request for arbitration to the Public Employee Labor Relations Board and/or American Arbitration Association under its rules and regulations.

- a. The fees and expenses of the Arbitrator shall be paid equally.
- b. The foregoing time limitations may be extended by mutual written agreement of the parties.

POWERS OF THE ARBITRATOR: It shall be the function of the Arbitrator, and he/she shall be empowered, except as his/her powers are limited below, after proper hearing on a properly filed and processed grievance referred to him/her as set forth above, to make a decision in cases of an alleged violation of the specific Articles and Sections of this Agreement. The decision of the Arbitrator shall be based exclusively on the evidence presented at the Arbitration hearing and the provisions of this Agreement. The Arbitrator's decision shall not be based on any statutes, decisions or regulations not specifically incorporated into this Agreement. The Arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted.

1. The Arbitrator shall have no power to add to, subtract from, alter, or modify any of the terms of this Agreement or any of the functions or responsibilities of the parties to this Agreement.
2. The Arbitrator shall have no power to change any practice, policy, or rule of the Town nor to substitute his/her judgment for that of the Town as to the reasonableness of any such practice, policy, or rule, unless such practice, policy, or rule is in violation of a specific Article and Section of this Agreement. His/her powers shall be limited to deciding whether the Town has violated the express Article and Sections of this Agreement; and he/she shall not imply obligations and conditions binding upon the Town from this Agreement, it being understood that any matter not specifically set forth herein remains within the reserved rights of the Town.
3. The Arbitrator shall have no power to substitute his/her discretion for the Town's discretion in cases where the Town is given discretion by this agreement.

4. The Arbitrator shall only have the authority to pass on a grievance referred to him/her as prescribed herein.
5. The Arbitrator shall be without authority to make any decision that requires the commission of any act prohibited by law or which is violative of the terms of this Agreement.
6. The Arbitrator shall have no power to rule on any claim or complaint for which there is another remedial procedure or forum established by law or regulation.

At the time of the Arbitration Hearing, both the Employer and the Union shall have the right to call any employee as a witness and to examine and cross-examine witnesses. Each party shall be responsible for the expenses of the witness that are not Town employees that they may call. The parties shall submit to each other a list of all witnesses to be called in the event of an arbitration hearing no less than forty-eight (48) hours in advance of the scheduled hearing date. At the close of the Hearing, the Arbitrator shall afford the employer and the Union an opportunity to furnish Briefs. The Arbitrator will render his/her decision within thirty (30) days from the date the hearing is closed or the date the parties submit their Briefs, whichever date is later.

JURISDICTION OF THE ARBITRATOR: The jurisdiction of the Arbitrator shall be limited to the determination of grievances which involve an alleged violation of a specific Article and Section of this Agreement and which have been properly filed, processed and referred to the Arbitrator as set forth above. If either party shall claim before the Arbitrator that a particular grievance fails to meet the tests of arbitrability, the Arbitrator shall proceed to decide such issue before proceeding to hear the case upon the merits. If the grievance concerns matters not subject to Arbitration, the Arbitrator shall return the grievance and all documents relating thereto, to the parties without decision.

- C. Time limits shall be strictly construed and followed. Time limits may be extended by the Town and Union in writing; then the new date shall prevail.
- D. All grievances must be filed in writing within five (5) working days from the time the alleged violation occurred or they will be deemed waived. Any grievance not filed within the prescribed time limit or not advanced to the next Step by the employee or the Union within the time limit in that Step, shall be deemed abandoned. If the Town does not answer a grievance within the time limits prescribed in this Article, the grievance will be considered automatically referred to the next Step of the Grievance procedure.
- E. Any grievance occurring during the period between the termination date of this Agreement and the effective date of a new Agreement shall not be processed. Any grievance which arose prior to the effective date of this Agreement shall not be processed.

- F. Any agreement reached between management and Union representative(s) is binding on all employees affected and cannot be changed by any individual.
- G. Working days, for purposes of this Article, shall be Monday, Tuesday, Wednesday, Thursday, and Friday, excluding observed holidays.
- H. The sole remedy available to any employee for any alleged breach of this Agreement or any alleged violation of his/her rights hereunder shall be pursuant to the Grievance procedure; provided that if any employee elects to pursue any legal or statutory remedy under Federal, State or Local law or administrative regulation for alleged conduct which may also be a violation of this Agreement, such election will bar any further or subsequent proceedings for relief under the provisions of this Article.

ARTICLE VIII

DISCIPLINARY PROCEDURES

Disciplinary action will be for just cause and will normally be taken in the following order:

- (a) Verbal warning
- (b) Written warning
- (c) Suspension without pay
- (d) Discharge

However, the above sequence need not be followed if an infraction is sufficiently severe to merit immediate suspension or discharge. Additionally, the Town reserves the right to take disciplinary action in a manner consistent with the efficiency of operations and appropriate to the infraction involved, no more than thirty (30) days from the date of discovery but in no case more than sixty (60) days from the infraction.

An employee will be tendered a copy of any warning, reprimand, suspension or discharge entered on his/her personnel record, within three days of the action taken. In imposing discipline on a current charge, the Town will not take into account any prior infractions, which occurred more than three years previously.

An employee shall receive at minimum of four (4) hours of notice prior to any meeting where formal discipline, as defined above, is contemplated. In the event a meeting between employee and supervisor unintentionally becomes a meeting where formal discipline will be taken, the employee shall be given the option of suspending the meeting until such time as a union representative can be consulted, but in no event shall the meeting be suspended for more than 4 hours. This provision shall not apply to

emergency situations or to situations where the supervisor only wishes to provide informal re-direction.

ARTICLE IX

HOURS OF WORK

This Article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. Nothing contained herein shall be construed as preventing the Town/Employer from restructuring the normal work day or work week for the purposes of promoting the efficiency of Town government; from establishing the work schedule of employees; and establishing part time positions.

The workweek for full-time employees shall range from 30 to 42 hours per week with the hours of work to be determined and scheduled by the Department Head or Supervisor. Employees scheduled to work less than 30 hours per week shall be considered part-time employees.

All eligible employees will be provided with a thirty (30) minute unpaid lunch period.

Employees covered by this Agreement shall be paid one and one-half (1 1/2) times their regular straight time hourly rate of pay for all authorized hours of work in excess of forty (40) hours in a work week. Overtime shall be based on the number of hours worked provided that paid holiday hours shall be considered as hours worked for purposes of overtime calculations. Generally, full time employees will be called in for overtime work before part time employees are call in for that same overtime work, providing that the overtime does not require special licenses, skills or training that is possessed by that part time employee.

"Nothing herein shall be construed as guaranteeing employees forty (40) hours of work per week or eight (8) hours of work per day."

Compensation shall not be paid more than once for the same hours under any provision of this Article or Agreement. For purpose of computing overtime, Personal Days, vacation, and sick time are eliminated from the calculation except that any mandated hours over and above the employee's regularly scheduled shift shall be compensated at the employee's overtime rate.

The Town/Employer reserves the right to close buildings or departments for unforeseen, compensable, circumstances i.e.; funeral, severe weather, etc. In the event of a funeral closing, employees have the option to attend the funeral or continue with their regular work. The closing of a building or department for severe weather is a management decision and does not constitute additional compensable hours to off-duty employees or employees that remain on duty.

CALL BACK: An employee called back to work after having left work shall receive a minimum of two (2) hours work at overtime rates, if eligible under FLSA, unless the time extends to his regular shift or unless the individual is called back to rectify his own error. If the employee is required to be called back more than once during a single two hour period, the employee shall be paid for one call back period.

Highway Department employees will be entitled to work four (4) nine (9) hour work days Monday through Thursday, and four (4) hours on Friday. The Director of Public Works or the Town Administrator shall have the authority to override this schedule in the event of an emergency and any other set of circumstances that warrants a more intensive or regular work schedule. In the event a revised schedule is implemented, management agrees to make its best effort to give affected employees at least ten (10) calendar days in advance.

1. ON CALL STATUS

In exceptional cases where circumstances prevent the giving of two weeks notice, excluding cases where the employee resigns to accept other employment, the two weeks' notice period requirement may be waived and vacation pay may be allowed by the Department Head with the approval of the Board of Selectmen. If the termination of employment shall be caused by the death of an employee entitled to vacation benefits, the benefits shall be paid to the person or persons to whom unpaid salary is payable.

Upon the request of the employee, the Town will buy back no more than one (1) week of vacation per calendar year from an employee, when that employee has that week available

3 to 6 months of service	Up to 10 days
Over twelve (12) months of service	Up to 12 days

Paid absence due to illness shall be utilized in the following sequence: current year's allowance (first twelve days), accumulation, and such discretionary sick leave as may be granted by the Board of Selectmen.

3. In the case of exceptional circumstances additional (discretionary) allowances may be granted on the recommendation of the Department Head with the written approval of the Board of Selectmen. In determining whether such extended allowances shall be granted, the past absence of the employee, the length of

service with the Town and the quality of the employee's performance and record shall be taken into account. Consideration shall be given as to what portion of the allowance shall appropriately be at full pay and what portion at part pay. Vacation pay shall not be substituted for sick leave except in unusual circumstances and only with the prior written approval of the Board of Selectmen.

4. In computing sick leave usage to be charged to the account of an employee the Town shall take into consideration any sick leave insurance to which the employee is entitled. Starting with the day on which the insurance coverage is available, the Town shall pay the difference between the employees' full pay and that amount paid by such insurance. The employees' sick leave account shall be charged only for that portion of time for which Town paid wages are received until all sick days have been used.
5. Employees shall notify their Department Head on the first day of absence due to non-service connected sickness or injury, stating the nature of the sickness or injury, time expected to be incapacitated and when they expect to return to work. Unless otherwise directed by the Department Head, such notification shall be made not later than one (1) hour prior to the start of the workday.
6. Department Heads shall be responsible to check on all such absences not later than the second day. If a doctor has been called by the employee, the Department Head shall also check with the doctor. A doctor's certificate shall be required after the fifth day of absence (unless required earlier by the Department Head). If deemed in the interests of the Town, the Department Head and/or the Board of Selectmen shall have an independent doctor make an examination and report.
7. This program shall be administered by the Board of Selectmen, who shall interpret the provisions of the program, and establish the details of administrative policies and procedures. Department Heads and employees shall furnish to the Board of Selectmen any information, which the Board may request.
8. Personal Day(s):

A personal day is a day of paid leave granted to an employee to conduct business or activities that can only be conducted during the employee's normal workday.

Unless otherwise provided, and at the conclusion of an employee's probationary period they shall be entitled to take three (3) personal days per year, not to exceed a total of 24 hours. The employee shall notify his/her department head of their intent to take a personal day at least five (5) working days in advance. In the case of an emergency, the department head shall have the authority to grant a personal day without the requisite notice. Personal days may be broken down into smaller than full day segments. Personal time may be taken in two-hour segments when required.

Notwithstanding, Personal days shall fall into the following two categories and shall be treated accordingly:

Emergency Circumstances:

In the event an emergency arises the employee may take a personal day off to attend to such situations, provided that notice is given to the employees department head as soon as practicable. Failure to give such notice may result in the denial of payment for the personal day off.

Non-Emergency Circumstances:

Non-emergency situations require greater notice and flexibility. Therefore, non-emergency situations shall be treated similarly to vacation days. A request for a personal day shall be filed 5 days in advance and shall be subject to availability and coverage. In any event, a request for a personal day shall not be denied unreasonably.

Personal days are non-accruing and cannot be carried over from one calendar year to the next. They can be taken in 2 hour increments.

10. **Dependent sick leave:**

In the event one of an employee's dependents becomes ill and cannot adequately care for him or herself, the employee may use no more than two sick days to care for such person. The term dependent shall be defined in accordance with how the term is defined by the United States Internal Revenue Service.

ARTICLE XIV

2. **Ability to Perform Work:** Ability to perform the job or work as used in this Article means the employee is capable of performing the work of the job in a satisfactory manner based on a comprehensive evaluation.
3. **Termination of Seniority:** Seniority for all purposes shall be terminated for any of the following reasons:

- A. Voluntary quit
 - B. Discharge for just cause
 - C. Failure to report for work in accordance with the provisions of a recall notice.
 - D. Absence for three (3) consecutive working days without properly notifying the Town.
 - E. Failure to be recalled from layoff or return to work due to any non-occupational connected illness or accident for a period of fifteen (15) months.
 - F. Retirement
4. Seniority List: The Town shall establish and post a seniority list once each year in January. The seniority list will contain both classification and department seniority for each eligible employee. Classification seniority shall be defined as the length of time an employee has been employed in a specific job classification covered by this Agreement. The employee with the greatest seniority shall be listed first. Any objections to the seniority list, as posted amended, must be reported to the Department Head within fourteen (14) calendar days from the date of posting or amendment or it shall stand as accepted and shall take full force and effect.
5. In any event the employee must return to work within two (2) weeks of the date specified.
6. Promotions and Transfers:
- A. The Town reserves and shall have the right to make promotions and transfers primarily on the basis of qualifications, ability and performance

- F. Employees who are absent during the entire posting period shall be automatically placed on the list for consideration for the position(s); provided, however, that such employee may, at his/her discretion, have his/her name removed from the list within five (5) work days of returning to work.

- H. Job posting(s) shall include job specifications, rate of pay, job location, the shift, if possible, and also if the job is permanent with a permanent rating. If a new employee is hired at a compensation rate that is more than the Town is paying existing employees and possesses the same type qualifications, years of experience, same job responsibility and job description, within a department, the existing employees will be entitled to the same compensation as the new employee. At no time shall a new employee be compensated more than six (6) steps above the lowest employee in the same grade for that responsibility and job description within the department.
- I. The above procedures shall be followed in all promotions, vacancies and transfers whether temporary or permanent.

- J. If qualified candidates are not available or have not responded to the posting within the Department where the vacancy occurs, the job will then be posted throughout the Town. Candidates from Departments other than the Department in which the vacancy occurs shall be notified by the Town of the status of his/her application and the reason(s) for not being selected for the position.
 - K. An employee who meets the minimum qualifications and is promoted to a higher level position shall be placed in a probationary status not to exceed six (6) months in the higher position. The employee shall periodically be evaluated to determine if he/she is performing the job in a satisfactory manner. If an employee is not able to satisfactorily perform the higher level duties or desires to return to his/her former position then he/she shall be reduced in status to the same classification, pay grade and pay step he/she had obtained prior to promotion.
7. Non-Application of Seniority Rights within Classification: Seniority does not give employees any preference for particular types of work within their job classification or to places of work, or equipment.
8. Probationary Period: All employees in positions covered by the bargaining unit shall serve a probationary period of six (6) months. During the probationary period, the probationary employee may be discharged at the sole discretion of the Town and neither the reason nor the discharge may be the subject of a grievance. The Town of Belmont Department of Public Works (DPW) and members of the AFSCME Local 534, Belmont Public Works bargaining unit are committed to maintaining safe working conditions for employees and for the public. Accordingly, the Town and Bargaining Unit agree to abide by the requirements prescribed by the Drug and Alcohol Free Workplace Act, and by the U.S. Department of Transportation Federal Highway Administration Federal Motor Carrier Safety Regulations as amended and as may be amended in the future. For purposes of this agreement, all bargaining unit members shall be considered to hold safety sensitive positions and shall be subject to pre-employment, post-accident, random, reasonable suspicion, return-to-duty and follow-up testing as provided in the regulations. The Employer shall provide or make provision for alcohol misuse and controlled substances use information, training, and referral; and shall make provision for proper handling of test results, record retention, and confidentiality under the aforementioned federal regulations. The Medical Review Officer (MRO) shall be mutually approved and selected by the parties.

Refusal to submit to a post-accident, random, reasonable suspicion, return-to-duty and/or follow up testing required in the above-cited regulations will be considered an act of willful insubordination and will result in termination from employment.

If the employee's first drug or alcohol test is positive, she/he may request a second test. If the second test is positive, the employee shall bear the cost of that test. When evaluation of a substance abuse professional determines that a rehabilitation program is required by an employee to resolve problems associated with alcohol misuse or controlled substance abuse, the employee will properly follow the prescribed program as a condition of continued employment with the Town. Any cost of rehabilitation or counseling not covered under the employee's health insurance plan shall be borne by the Employee.

If as a result of a positive drug or alcohol test an employee, who is required to have a CDL as a qualification for his/her job, must give up his/her license for a period not to exceed 90 days, the employee may request permission from the Director of Public Works (which permission shall not be unreasonably withheld) to be granted an unpaid leave of absence for the period, less accrued vacation time which shall first be applied to the period. During that period the employee must submit to random testing once a month. (See below).

If an employee loses his/her driving license or CDL for a period longer than 90 days as a result of a positive drug or alcohol test while on the job, the employee shall be deemed unqualified for the job and terminated.

If an employee loses his/her driving license or CDL for a period longer than 90 days as a result of a motor vehicle or other violation while off-duty, the Employer may at its sole

discretion, offer another position to the employee, if available. The employee would be eligible only for the pay rate applicable to the position offered. If another position is not available or the employee is not qualified for an open position, the employee may be terminated.

After the first violation (test is found to be positive), a written warning will be issued and the employee shall be randomly tested once a month for the next six consecutive months. Upon the second violation during the length of his/her employment with the Town of Belmont, the employee will be terminated.

If an Employee uses, possesses, dispenses, distributes or manufactures any alcoholic beverage or controlled substance on Town premises, work sites, vehicles, or equipment, the employee will be terminated.

An employee who is required to have a CDL must report immediately to the Director of Public Works (or Town Administrator, in the Director's absence) any disqualification (loss of CDL) or incidents that may result in disqualification that occur on or off duty. Failure to report such disqualification or incident(s) that may result in disqualification shall result in termination.
