It is further specifically agreed that this Article and the exercise of any management rights shall not be subject to any grievance proceeding as hereinafter set forth.

ARTICLE 3

INTERFERENCE WITH COUNTY OPERATIONS AND LOCKOUTS PROHIBITED

A. Under no circumstances will the Union cause, encourage, sponsor or participate in any strike, work slowdowns, sanctions, picketing or patrolling of any kind, multiple resignations, any form of job action, withholding of any services or any curtailment of work or any restriction or interference with the operations of the Carroll County Sheriff's Department or Carroll County government during the term of this Agreement. The Employer will not lock out any employees during the term of this Agreement. In the event of any such activity set forth above, the Employer shall not be required to negotiate on the merits of the dispute which gave rise to any such activity until any and all such activity has ceased.

B. Should any employee or group of employees covered by this Agreement engage in any activity prohibited by Section A. above, the Union shall forthwith disavow any such activity and shall take all reasonable means to induce such employee or group of employees to terminate such activity forthwith, including, but not limited to, any and all disciplinary measures which may be taken pursuant to the Union's Constitution and By-Laws as from time to time amended. It is understood that any employee violating this Article shall be subject to immediate discharge.

ARTICLE 4

PROBATIONARY EMPLOYEES

A. All newly hired or appointed Deputy Sheriffs must serve a probationary period of one (1) continuous year with the exception of newly hired or appointed Deputy Sheriffs who are certified police officers, who shall serve a probationary period

of six (6) continuous months from the date of hire. Newly hired or appointed Dispatchers and Secretaries shall serve a probationary period of six (6) continuous months from the date of hire. Probationary employees shall not be entitled to representation by the Union or covered by any of the terms of this Agreement, including, but not limited to, that which is set forth in Section B.

B. Probationary employees may be disciplined, including, but not limited to, suspended or terminated for any reason and at any time by the employer in its sole discretion, and neither the employee so disciplined, suspended or terminated, nor the Union shall have recourse to the grievance procedure concerning any such discipline, suspension or termination.

ARTICLE 5
EMPLOYEE RIGHTS

A. The Sheriff and the Union agree not to discriminate against any employee covered by this Agreement in conditions of employment in order to discourage or encourage membership in the Union or to discriminate against any employee because the employee has given testimony or taken part in a grievance procedure or proceeding of the Union.

B. No employee shall, as a condition of employment, be required to become a member of the Union. The Union agrees that it will not interfere with the rights of any or all non-members employed by the Department.

C. The Sheriff and the Union reaffirm and will maintain the policy not to discriminate against any person because of race, color, national origin, citizenship, religion, sex, sexual

orientation, marital status, age or disability. All such claims under this Section shall be initiated through the grievance procedure herein before taking action with state or federal agencies. This requirement shall not restrict the filing of claims or complaints so as to prevent the expiration of time limits or appeal rights set forth by statute or regulation.

ARTICLE 6

EMPLOYMENT

A. Sexual Harassment. Carroll County will not tolerate the sexual harassment of any employee, client, resident, inmate, vendor or any other person dealing with the County. Conduct will be considered sexual harassment if:

1. Submission to or rejection of a request for a sexual favor is used as the basis for employment decisions affecting the person who did the submitting or rejecting; or
2. Submission to a request for sexual favors is made either explicitly or implicitly a condition of the individual's initial or continued employment; or
3. Unwelcome sexual advance and other verbal or physical conduct of a sexual nature interferes with an individual's work performance or creates an intimidating, hostile, or offensive work environment.

All complaints of sexual harassment should be referred immediately to the employee's supervisor or the County Commissioners and the matter will be promptly investigated. Confidentiality will be maintained to the extent possible

consistent with the need to conduct a prompt and thorough investigation of a complaint. Retaliating or discriminating against an employee for complaining about sexual harassment is prohibited.

Any instance of sexual harassment as described herein, any act of retaliation, or any failure to cooperate in the investigation or resolution of a sexual harassment complaint may result in disciplinary action or termination.

B. Workers' Compensation. In the event an employee is injured on the job, the injury shall be reported immediately to the employee's supervisor. In the event that said injury or occupational disease occurs on the job and is compensable under Workers' Compensation, the employee shall be placed on Workers' Compensation Leave and shall be paid by the County's Workers' Compensation Insurance carrier. In order that the employee's income will not be interrupted by delayed receipt of Worker's Compensation, the County will continue the employee's regular weekly base pay for up to twenty-one (21) calendar days from the date of injury. For this procedure to be followed, the employee must immediately surrender each Workers' Compensation check to the County for the period in which the employee receives regular pay from the County.

Employees absent from work as a result of a bona fide Workers' Compensation injury are eligible for reinstatement to the employee's former position within eighteen (18) months of the date of injury, provided that:

1. The employee requests reinstatement.
2. The employee is capable of performing the duties of the position, as determined by the attending physician; and

3. The position exists and is available.

The County shall provide Alternative Work Opportunities (light duty) as determined by the Sheriff, said opportunities being consistent with the employee's limitations, as certified by the attending physician, and the appropriate provisions of R.S.A. 281-A:64, and rules promulgated by the New Hampshire Department of Labor.

C. Career Incentives. The following course reimbursement policy shall apply to members of the bargaining unit after one (1) year of service. The Sheriff agrees to provide reimbursement for each employee of up to five hundred dollars (\$500.00) per calendar year for the cost of courses on a first come first served basis to the extent there are budgeted funds available, if all of the following are met;

1. The course is approved in advance by the Sheriff.
2. The course is related to the employee's job and/or is part of an approved career development program.
3. Reimbursement of course costs only upon completion of the course with a "C" grade or better and satisfactory proof of attainment.

ARTICLE 7

DUES CHECK OFF

A. Upon an individually written authorization card signed by the employee and approved by the Union, the Commission agrees to deduct from each employee's wages a sum for Union dues to be collected from the first paycheck of each month. The Union agrees to hold the Sheriff's Department and the County harmless

from any claim or liability arising out of its deduction of dues and payment to the Union under this Section.

B. Employees will be allowed to participate in credit union automatic deductions. The Sheriff agrees to deduct for the Local Union's Credit Union, any amount, on a weekly basis, authorized in writing by the employee to be remitted to the Credit Union on a monthly basis. Deductions may be made for only one (1) credit union during any monthly period. No unlawful deductions shall be made.

ARTICLE 8
SHOP STEWARD

A. The Sheriff's Department agrees to recognize one Shop Steward and one Alternate Shop Steward to cover in the Shop Steward's absence. If a situation should arise which involves the administration of this Agreement when the Shop Steward is on duty, the Sheriff may release the Shop Steward as soon as practical to investigate the matter without loss of pay. Any resolution of this issue shall be in writing. If a settlement cannot be reached, the Steward shall report it by telephone to the Union Business Agent. If the issue still cannot be settled, the Steward may put the matter in writing and submit it in accordance with the Grievance Procedure.

B. It is understood that time spent in grievance processing or investigation, which is done by a Union Steward or member when not working a regular shift, will not be paid for.

ARTICLE 9
JOB POSTING

A. When a vacancy occurs as a result of the establishment of a new position or termination of a current employee, the Sheriff shall have the right to fill the position. As soon as it is clear that the vacancy is permanent and will be filled, the Department shall post a notice indicating the position, its rate of pay, the qualifications required and the normal working hours for the position, which shall be subject to change at the discretion of the Sheriff.

B. The job posting shall be left on the bulletin board for five (5) days and all employees in the bargaining unit shall be eligible to sign up to indicate their interest in filling the position. Nothing in this posting procedure shall be deemed to limit the Sheriff's right to select applicants for the position from outside the Department.

C. After the closing date for applications or after the posting period of five (5) days, whichever is appropriate, the Sheriff or the Sheriff's designee shall review the qualifications of the employees who have signed the posting before seeking applicants from outside the Department. In the case of the Departmental employees, some consideration will be given to the length of service as well as quality of performance while they have been with the Department.

ARTICLE 10

HOURS OF WORK AND OVERTIME

A. The normal work week shall be forty (40) hours of actual work per week. Nothing in this Agreement shall in any way limit or restrict the right or ability of the Sheriff to in any way change the starting and dismissal times for any employee or group of employees.

B. Authorized time actually worked in excess of forty (40) hours in one week shall be compensated at the rate of one and one-half (1 1/2) times the employee's regular rate of pay. For purposes of this section, authorized worker's compensation leave shall be considered as hours worked for the computation of overtime.

C. It shall be the duty of all employees to make themselves available during the course of emergencies.

D. When possible, employees shall schedule court appearances to fall within scheduled work hours. Failure to do so may lead to discipline or discharge. In the event that a court appearance falls within off duty hours, employees shall be compensated for all hours worked with a minimum of three (3) hours at the employee's straight time rate of pay. All witness fees shall be assigned to the Sheriff's Department.

E. The swapping of shifts shall be allowed with prior approval of the Sheriff or designee. The swapping of shifts shall not result in any cost to the County. The employee requesting the swap shall be responsible to ensure the involved shift is covered.

F. Employees called back into work outside of their regularly scheduled working hours shall be paid for the time actually worked with a minimum of three (3) hours at time and one-half, except in instances where the employee is coming in to perform authorized scheduled overtime, in which case the employee shall be paid time and one-half the employee's regular hourly rate of pay in accordance with Section B of this Article for hours worked. Employees subsequently called back in within the same three (3) hour period of their last call-in shall not receive the call-in pay.

ARTICLE 11

ALLOCATION OF OVERTIME

A. Special details are assignments worked in uniform but compensation is paid at the rate of thirty dollars (\$30.00) per hour (unless otherwise agreed to by the Sheriff and the employee) by a party other than Carroll County or the Sheriff's Department. Such special detail shall be allocated as equitably as possible by the Sheriff, but no member of the bargaining unit shall work a special detail which ends within eight (8) hours before a regular shift at the Sheriff's Department, unless approved by the Sheriff.

B. Emergency overtime shall be assigned at the discretion of the Sheriff or the Sheriff's designee, with such overtime normally assigned on the basis of the geographical proximity of the officer of the emergency scene.

C. Dispatch overtime will normally be covered by requesting dispatchers on duty to extend their shift by four (4) hours and dispatchers on the following shift to report four (4) hours earlier. If the overtime need cannot be filled in this manner, the overtime shall be assigned at the discretion of the Sheriff or his designee.

ARTICLE 12

LAY-OFF AND RECALL

A. Lay-off: In the event of lay-off or job elimination, the Sheriff shall determine the order of lay-off on the basis of qualifications and job performance as indicated by evaluations. In the event that qualifications and job performance, as determined solely by the Sheriff, are equal, employees will be laid off in the reverse order of their seniority (date of hire)

in their respective classifications, that is, those with the lowest seniority, first. It is understood that an employee retained must be qualified to perform the available work.

B. Recall: When employees are recalled, they shall be recalled in accordance with the qualifications necessary and previous performance evaluations within the Department, as determined solely by the Sheriff, for available positions in each classification. In the event that the Sheriff determines that the qualifications of two (2) or more employees are equal, the employee with the most seniority shall be recalled first. Recall rights shall continue for one (1) year, and if the employee is not recalled by then, the employee will lose seniority and recall rights. If a person who is on lay-off is offered recall and fails to accept and return within fourteen (14) calendar days of written notification, the person shall lose all recall rights and seniority.

ARTICLE 13

4. Lay off for one (1) year.
5. Absence due to work-related illness or accident in excess of twelve (12) months.

B. Except as otherwise provided by this Agreement, the Sheriff shall not be required to provide compensation or benefits to employees who are laid off, terminated from employment, or absent from work due to illness or injury.

C. This definition of seniority and parts thereof shall have force and effect only with respect to provisions to this Agreement specifically requiring the Sheriff to make personnel decisions in whole or in part on the basis of seniority.

A. For the purpose of this contract, a grievance is defined as a written claim or complaint which is filed and signed by an employee in the Bargaining Unit. Grievances are limited to alleged violations of specific provisions of this Agreement and must describe the specific Article and Section of this Agreement which has allegedly been violated, the date of the alleged violation, all witnesses to same and the relief requested.

B. Whenever an employee in the Bargaining Unit has a grievance as defined in Section 1 above, the following procedure shall be utilized or such grievance shall be deemed waived.

Step 1. The employee involved shall file the grievance in writing as specified above with the Sheriff and the Union within five (5) work days from the date of the event which gives rise to the alleged grievance. Claims filed after the (5) work days are not grievable.

Step 2. If the grievant is not satisfied with the disposition of the grievance by the Sheriff, or if no decision

has been reached within ten (10) work days after filing with the Sheriff, the grievant, together with the Union, may file the written grievance with the Carroll County Commissioners within five (5) work days after the receipt of the Sheriff's decision, or when the decision should have been rendered. The Commissioners shall hear the grievance within ten (10) work days after receipt of the written grievance and render a written decision within five (5) work days after hearing the grievance. Any decision by the Commissioners shall be advisory to the Sheriff. The Sheriff shall have five (5) work days to notify the grievant, the Union and the Commissioners in writing whether or not the Sheriff accepts the Commissioners' advisory decision.

Said written request for appointment of an arbitration must be submitted within ten (10) work days after the date of the decision of the Sheriff Sheriff's decision was due. If the Union fails to submit such written request for the appointment of an arbitrator within said ten (10) work days, the grievance shall be deemed waived.

C. Subject to the provisions of RSA 542 in cases where the arbitrator has exceeded contract authority, the decision of the arbitrator shall be final and binding on the parties as to the matter in dispute.

D. The arbitrator shall not have the power to add to, ignore or modify any of the terms and/or conditions of this Agreement. The arbitrator's decision shall not go beyond what is necessary for the interpretation and application of express provisions of this Agreement. The arbitrator's judgment shall

not substitute for that of the parties in the exercise of rights granted or retained by this Agreement.

E. If the grievance is not reported or appealed by the grievant and/or the Union within the time limits set forth above, the matter shall be deemed waived and no further action will be taken with respect to such grievance unless both parties mutually agree to an extension of said time limits. If the grievance is not processed by the Sheriff or the Commissioners within the time limits set forth above, the grievant and/or the Union may move the grievance to the next step of the Grievance Procedure unless the parties mutually agree to an extension of the time limits.

H. Excluded from this grievance procedure are grievances which question the exercise of rights set forth in Article II of this Agreement, entitled Management Clause, or which question the use or application of any right over which the Sheriff or the Sheriff's designated agents have discretion.

I. Nothing contained herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with the Sheriff or an appropriate member of the staff of the Carroll County Sheriff's Department and having the grievance adjusted without the intervention of the Union, provided the adjustment is not inconsistent with the terms of this Agreement.

ARTICLE 20

Vacations shall not interrupt or interfere with the normal operations of the Carroll County Sheriff's

Department. The Sheriff shall have the right to change the vacation schedule so as to prevent any such interruption or interference. Vacations do not accrue from year to year. Carry-over of vacation days to the next year will be permitted if the employee was requested by the Sheriff to postpone a pre-scheduled vacation due to the demands of Department business. Any such vacation days carried over must be used by the end of February of the next year.

C. Vacations will be posted on an annual basis and will be selected on the basis of seniority. No employee may choose more than two (2) weeks on the first run through the list. While on medical leave, each employee must keep the department head advised as to the medical recovery progress. To be eligible for leave without pay for medical reasons the medical condition of the employee or of the family members for which leave is taken must be certified with a physician's written medical statement.

B. During a medical leave of absence without pay, an employee shall have no loss of accrued benefits or seniority but will not continue to accrue any such benefits. Health insurance benefit payments will be paid by the Department in accordance with the established level of contribution during periods when the employee is on medical leave without pay. While on an unpaid medical leave of absence the employee will be responsible for paying the employee's share of the premium by submitting payment to the business office on or before each regular payday. The County may recover its share of the premiums for maintaining coverage for the employees under such group health plans during the period of leave if the employee fails to return to work for reasons other than the continuation or onset of a serious health condition entitling the member to leave, or other circumstances beyond the employee's control. Certification of inability to return to work as specified and allowed by this medical leave of absence may be required.

C. A medical leave of absence shall not be granted until all of the employee's accumulated vacation leave and accumulated sick leave (in the case of serious health conditions of the employee, spouse, child, or parent) has been taken. COMPLETE AGREEMENT AND WAIVER CLAUSE

A. This Agreement constitutes the entire Agreement and final resolution of all matters in dispute between the Sheriff and the Union arrived at as a result of collective bargaining negotiations, except such amendments hereto as shall have been reduced to writing and signed by the parties.

B. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining and that the understandings and agreements arrived at

Therefore, the parties for the life of this Agreement voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of any of the parties at the time this Agreement was negotiated or signed. CARROLL COUNTY SHERIFF'S DEPARTMENT
AND
TEAMSTERS LOCAL #633 OF NEW HAMPSHIRE

Memorandum of Agreement on Voluntary D.R.I.V.E. Deductions

The purpose of this memorandum is to correct an oversight in the collective bargaining agreement between the parties that was expired on March 31, 2008. That agreement should have contained a provision allowing bargaining unit members to consent to voluntary deductions to the Teamsters' political action committee, known as D.R.I.V.E.

Accordingly, the parties agree to the following provision to be immediately appended to the 2008-2011 agreement:

"The County will allow Employees who provide appropriate written consent to deduct voluntary contributions to the Teamsters' D.R.I.V.E. fund from their paychecks. The amounts deducted will be remitted by the County to the Teamsters on a monthly basis."

This is not a cost item to the County. Thus this agreement does not require the approval of the County Executive Committee or Delegation.
