The hours of work designed in this Article may be changed up to two (2) hours before or after the scheduled shift by the Department Head, or designee.

The EMPLOYER will make reasonable attempts to notify employees of the change in work hours no later than dismissal time on the day previous to the change in work hours.

Section 1(a). The hours of the regular work day in the General Services Department shall normally be 6:30 A.M. to 3:00 P.M. with an unpaid one half (1/2) hour lunch period. Shift schedules, when utilized, shall normally be as follows:

Such meal periods shall be taken insofar as practicable in the middle of the shift, and in a manner that shall not interrupt normal plant operations. The three shift schedules shall be as follows:

In such cases employees shall be paid overtime for all hours over 40 in any one week but shall not receive overtime for hours over 8 in one day nor shall they be charged annual leave for hours less than 8 in one day in order to make up the 40 hours per week.

Section 2. The EMPLOYER'S work schedule shall provide for a fifteen (15) minute paid rest period at the job site in every four (4) hour working period; such rest periods to be taken insofar as practicable in the middle of every working period. One thirty (30) minute rest period may be taken as an alternate to the above, if mutually agreed between the City and the President of Local 1580 AFSCME.

Section 3. The right to substitute on a rotating schedule by EMPLOYEES mutually qualified shall be permitted subject to the prior permission of the EMPLOYER, so long as this substitution does not result in increased cost to the EMPLOYER.

Section 4. In the event the EMPLOYER determines that a change in the regular work week of more than two hours before or after a shift of any of the covered EMPLOYEES may be required, it shall consult with the UNION on the question in an effort to reach a decision which meets the operational needs through a mutually acceptable approach. However, the hours of work shall be established by the department head.

The parties recognize that the EMPLOYER retains the right to unilaterally implement changes in the work schedule. The EMPLOYER agrees to attempt to resolve impacts associated with these changes by meeting with the UNION until impasse is declared by either party.

Whenever possible the Department shall give the employees a two (2) week written notice.

## ARTICLE 7 OVERTIME

Section 1. Definitions "Overtime" shall mean authorized work performed in excess of the EMPLOYEE'S regular daily work schedule of eight (8) or more hours or the regular weekly work schedule of forty (40) hours except as otherwise indicated in this agreement. There shall be no "pyramiding" of overtime.

1.1 Callback shall be defined as an employee, without previous notification, being called in to work during hours other than his/her regular work hours.

1.2 Scheduled Overtime shall be defined as an employee(s) receiving notification while on paid time, or while on the EMPLOYER'S premises, of assignment to scheduled overtime hours. Such hours shall not be subject to the minimum callback requirement. Overtime scheduled to begin after 12:00 midnight shall be subject to the minimum callback requirements unless the time is contiguous to the beginning or end of a shift.

1.3 Winter Operations On Call (WOOC) shall be defined as an employee, asked before the end of their regular work shift, to be available for winter operations if needed. A person asked to be in a WOOC status would be available by phone or pager to report to the COMF within 45 minutes of notification. Persons asked to be on WOOC status would be on a rotating basis. Compensation for this period shall be as follows:

Weekdays beginning Monday at 3:00 PM through Saturday at 7:00 AM - one hour's pay at the employee's overtime rate per day assigned.

Weekends beginning Saturday after 7:00 AM through Monday before 7:00 AM any 12 hour period as assigned by the EMPLOYER - one hour's pay at the employee's overtime rate.

Holidays that fall on a weekday beginning at 7:00 AM on the day of the holiday through 7:00 AM the day immediately following the holiday any 12 hour period as assigned by the EMPLOYER - one hour's pay at the employee's overtime rate.

An employee who is in WOOC status and is unavailable if called, without adequate justification, shall be subject to disciplinary action. **If insufficient personnel accept WOOC when asked, pagers may be assigned at the sole discretion of management.** Assignments will be made in reverse order of seniority.

This section is subject to review by both parties prior to winter operations and may be amended subject to agreement by both parties.

Section 2. Overtime pay shall be at a rate one and one-half times an EMPLOYEE'S regular rate of pay.

Section 3. Callback Time. Callback pertains to work performed outside an Employee's regularly scheduled workday. Callback does not pertain to work time consecutively annexed to the end of the scheduled workday. Callback does not pertain to scheduled overtime. An Employee called back under this section shall be paid at the overtime hourly rate for the time

actually worked. Except for those receiving stand-by compensation (See Section 5. below), employees shall be guaranteed a minimum of four (4) hours work at their overtime rate. Employees in stand-by status shall be guaranteed a minimum of three (3) hours work at their overtime rate for the first callback in a stand by day (as defined in Section 5 (d)) and two (2) hours work for additional callbacks in that day. Employees in stand-by status, working remotely on a SCADA system, shall be guaranteed a minimum of one (1) hour work at their overtime rate for a callback in a stand by day. The Employer may, at its sole discretion, elect to hold over an Employee at the end of the workday if the Employee has been called in to work less than four hours prior to the start of the Employee's regular shift, is eligible for callback pay and has not worked for the guaranteed hours during the callback period.

Section 4. In fairness to the EMPLOYER and the EMPLOYEE, the following guidelines will apply to the distribution of overtime:

(a) To the extent practicable, overtime work shall be distributed equitably among qualified EMPLOYEES who customarily perform related work. Distribution shall be on a rotating basis from a departmental classification seniority list established on the effective date of this agreement. For the conduct of City-wide winter operations, Highway/Utility Division personnel will be assigned first on a rotating basis from an established list. Other employees will be assigned as required on a rotating basis from a separate established list based on departmental classification seniority. In determining the equitable division of overtime, the EMPLOYER shall take into consideration an EMPLOYEE'S refusal, and EMPLOYEE'S excused absence, or the inability to reach the EMPLOYEE by telephone.

(b) The EMPLOYER shall give as much notice as practicable prior to overtime.

(c) Overtime assignments may be on a voluntary basis except in cases of emergency (as determined by the Department Head or designee) or in a case where the number of volunteers is inadequate to carry out orderly departmental operation. In such cases, the EMPLOYER shall exercise its discretion to make appropriate work and shift assignments.

Section 5. Stand-By The following provisions apply to Stand-By:

- (a) An Employee may be assigned stand-by status in addition to his/her regular work schedule. While on stand-by status, the Employee shall be constantly available for notification of work requirement, keep competent authority informed of the current effective reasonable method for communication of notification and shall report to the work area as quickly as possible and within forty-five (45) minutes of notification by competent authority or by an alarm system.
- (b) Stand-by status will be rotated among Employees based upon qualifications of the Employee and Department requirements.
- (c) The compensation for a stand-by period shall be one (1) hour at the Employee's overtime rate of pay for each calendar day assigned to Stand-by status. - (d) The stand-by period shall normally be for seven days commencing Monday at 7:00 A.M. and involve the time period outside the normal hours of work. A shorter stand-by period with a minimum of one day may be assigned when it is necessary to substitute for the normally assigned Employee or provide additional accessible workforce.
- (e) Employees in stand-by status shall be available for scheduled overtime and perform the regular duties of their job description during normal hours.

Such payments shall be made following the showing of satisfactory evidence of the amount of pay received for such service.

ARTICLE 15  
CIVIL LEAVE

Section 1. Any EMPLOYEE shall be given time off without loss of pay or annual leave when performing civil leave, which shall be for jury duty and when subpoenaed to appear before a court, public body or commission as long as it does not pertain to matters involving outside employment. An EMPLOYEE'S compensation shall be supplemented by the EMPLOYER to such amount so that the EMPLOYEE will receive his average weekly wage while on civil leave, provided that satisfactory evidence of such civil leave service is furnished. Actual hours served on civil leave by the EMPLOYEE shall be considered hours worked for the purpose of determining overtime wages.

ARTICLE 16  
MATERNITY LEAVE

Section 1. Absences for maternity reasons for periods of incapacity due to pregnancy shall be handled in the same manner as for any other use of sick leave.

ARTICLE 17  
EDUCATION EXPENSES

Section 1. The Parties hereto consider themselves mutually responsible for the improving of public service through creation of improved EMPLOYEE morale and efficiency. In this connection, the Parties agree that they shall encourage EMPLOYEES to pursue outside studies, including correspondence courses, which enhance the EMPLOYEE'S ability to contribute to the City's public service program within the bargaining unit. Where the course is one that has received prior approval of the department head, then the Parties hereto agree that, upon satisfactory completion of the same by the individual EMPLOYEE, the City of Concord shall assume the cost of said course and reimburse the EMPLOYEE to that extent. Denial of approval by the department head may be appealed at the City Manager level.

ARTICLE 18  
RATINGS

Section 1. An EMPLOYEE may be temporarily assigned by the EMPLOYER to work any position of the same or lower classification grade without change in pay. Upon the cessation of such temporary assignment, the EMPLOYEE shall be restored to his original position.

Section 2. When an EMPLOYEE is temporarily assigned to work in a higher class or position, such an EMPLOYEE shall receive a wage rate to be determined by:

Adding five percent (5%) to the EMPLOYEE'S current regular rate and then placing the EMPLOYEE at the step in grade of the higher classification which is closest to this hourly rate without being less.

EMPLOYEES on such assignments shall receive the higher rate of pay for the position for the given day, provided they work four (4) hours in the higher position on the given day. There shall be no accumulation of higher rated time from day to day.

Section 3. Assignment to higher paying job classification, temporary or otherwise shall be made in accordance with seniority within classification, but the EMPLOYER reserves the right to take into consideration the EMPLOYEE'S qualifications and abilities to meet the requirements of the job.

Section 4. When all other qualifications are equal, and no other merit provisions apply, promotions, or transfers, shall be made from the ranks of eligible EMPLOYEES.

Section 5. All new positions or promotions contemplated beyond a period of thirty (30) days shall be posted on the bargaining unit's bulletin boards a minimum of five (5) working days and interested EMPLOYEES shall have the opportunity to apply for such positions, promotions or lateral transfers. Section 6. The Department, by posting on bulletin boards, shall notify EMPLOYEES and the UNION officials in writing of all promotions within five (5) working days of promotion.

## ARTICLE 19 LAYOFF

Section 1. In the event of a layoff for any reason, EMPLOYEES shall be laid off in the classification by the Division involved in the inverse order of their employment. A layoff out of the inverse order of EMPLOYEES' employment in the class and Division involved may be made, if in the EMPLOYER'S judgment, retention of special job skills are required for the efficiency and effectiveness of the Department.

Section 2. When layoff becomes necessary, the department head shall notify the affected EMPLOYEE in writing at least ten (10) workdays prior to the effective date of such action stating the reasons for such layoff. Seniority shall prevail in matters concerning layoffs and rehiring subject to the provisions of this Article except in the event of an act of God no notice shall be required.

The City will give consideration at time of lay-off for those qualified EMPLOYEES who apply for vacant positions in other City departments.

Section 3. EMPLOYEES shall be called back from layoff according to employment in class and division from which the EMPLOYEE was laid off unless, in the EMPLOYER'S opinion, special job skills are required for the efficiency and effectiveness of the department. A laid off EMPLOYEE shall be eligible for recall if the recall is issued within nine months. Nothing in this Article shall be construed to eliminate the requirement of recalled EMPLOYEES to continue meeting minimum required job class qualification. Failure by an EMPLOYEE to report to work in accordance with the provisions of a recall notice shall result in loss of all rights of recall.

EMPLOYEES who are eligible for recall shall be sent a recall notice by registered mail. The EMPLOYEE must notify the Department Head within five (5) days after receiving the notice of recall of his/her intention to return to work. Failure by the EMPLOYEE to so notify the Department shall represent a decision not to accept the recall. The City shall be deemed to have fulfilled its obligation under this section by mailing the recall notice by registered mail, return receipt requested, to the last address provided by the EMPLOYEE. It shall be the obligation and responsibility of the EMPLOYEE to immediately notify the Department Head of any changes in mailing address during the nine-month period from lay-off provided by this section.

Section 4. Nothing in this Article shall restrict the prerogatives of the EMPLOYER to determine the financial necessity of service reduction, the form of layoff, and the duration of layoff.

## ARTICLE 20 SENIORITY

Section 1. There shall be two types of seniority:

- (a) Department Seniority
- (b) Classification Seniority

Department Seniority shall relate to the time an EMPLOYEE has been continuously employed by a Department. Classification Seniority shall relate to the length of time an EMPLOYEE has been employed continuously in a particular grade classification. Individuals transferred from General Services to Community Development as a direct result of the reorganization of the development departments will be considered to be General Services employees for the purposes of Layoff as long as they remain in the position they were transferred to during the reorganization.

Section 2. No EMPLOYEE shall have the right to displace another EMPLOYEE in any classification by virtue of Department Seniority alone; except, that in the event of a layoff subject to Article 19, LAYOFF, a laid off EMPLOYEE may elect transfer to the next lowest classification for which he satisfies current job qualifications together with greater Departmental Seniority than an EMPLOYEE in that classification.

An EMPLOYEE displaced by another EMPLOYEE as a result of a lay off may, in turn, exercise the options of transfer as defined herein.

An Employee choosing to displace another employee under this article must elect to do so within two working days of notification of layoff.

Section 3. Upon receiving a promotion an EMPLOYEE'S name shall be entered at the bottom of that particular classification seniority list to which he has been promoted, regardless of his Department Seniority, and he shall be considered to be the junior or younger EMPLOYEE of that classification. Section 4. An EMPLOYEE shall receive seniority status after initial probationary period. Probation may be extended for an additional 3 months at the sole discretion of management. Probationary EMPLOYEES may be discharged or laid-off with or without cause and such discharge or layoff shall not be subject to review. Upon successful completion of the probationary period, the EMPLOYEE shall be credited with annual leave and seniority from the date of hire.

Section 5. An EMPLOYEE shall not forfeit seniority when:

- (a) Absent from work for total temporary disability due to his regular work with the EMPLOYER, certified by an affidavit from Worker's Compensation Carrier.
- (b) On leave of absence without pay, pursuant to the EMPLOYER'S Personnel Rules and Regulations provided, however, that seniority shall not accumulate.

- (b) Resignation
- (c) Lay Off longer than nine (9) months
- (d) Transfer outside; Out of the Bargaining Unit
- (e) Retirement

Section 7. The EMPLOYEE'S present classification seniority as of the effective date of this contract, shall be used to establish classification seniority under the EMPLOYER'S Classification Plan adopted February 3, 2008, as revised. This classification seniority must have been continuous in nature to be used to establish the new classification seniority list. The preparation and maintenance of the Classification Seniority Roster shall be the joint responsibility of the City and the UNION, and is to be part of this Agreement.

Except as otherwise specifically amended by this Agreement, all other provisions of the City's merit plan as provided by Charter, governing the classification, compensation, selection, training, promotion, discipline, leave, and any other matters within the management prerogative of the EMPLOYER, are not considered a part of this Agreement, but shall remain in full force and effect and shall be observed by EMPLOYEES.

Such grievance shall be discussed among the EMPLOYEE, a UNION representative and the designated supervisor at a time mutually agreeable to the three parties. The designated supervisor shall give his/her decision within five (5) working days from the date of the discussion with the EMPLOYEE and UNION representative.

Until the grievance is reduced to writing, the exclusive representative shall be excluded from the hearing if the EMPLOYEE so requests.

Section 13. Any award ordered by the arbitrator may be retroactive to the date the grievance first occurred. For purposes of determining retroactivity no grievance shall be deemed to have occurred prior to the effective date of this agreement except as specifically acknowledged and identified in writing by the parties on the date this agreement is signed.

Section 14. The above time limits for processing grievances may be extended by mutual written agreement of both parties. Where specified time limits have lapsed and no extension has been provided for as specified herein, the grievance shall be considered settled in accordance with the EMPLOYER'S last response.

Section 15. Nothing contained herein shall be construed as limiting the right of the EMPLOYER from pursuing resolution of a grievance under this Article.

INSURANCES

In the event that the life insurance, short term disability, and long term disability insurance presently available within the City's Beneflex Program should be eliminated during the term of this agreement which commences January 1, 2008, the parties agree to reopen negotiations on these subjects. During such negotiations the following provisions will apply.

SICK LEAVE

Section 1. "Sick Leave" shall mean authorized leave of absence from work with pay.

Section 2. Procedure: All references in this article to sick leave accrual rates are derived from the foundation accrual of .0577 hours for each of the 2080 standard work hours scheduled per year. References to accruals in days are based upon the standard of eight (8) hour days. A total of ten (10) hours per month (1 1/4) day shall accrue to an EMPLOYEE for each calendar month worked.

2.1 Accrual:

a. Six (6) hours per month (3/4) day shall be credited to the EMPLOYEE'S Sick Leave Account accruable to one hundred twenty (120) hours maximum (15 days).

b. Four (4) hours per month (1/2) day shall be credited to the EMPLOYEE'S Extended Sick Leave Account, accruable to six hundred (600) hours maximum (75 days).

During an EMPLOYEE'S probationary period the entire ten (10) hours monthly accrual (1 1/4 day) shall be credited to his/her Sick Leave Account.

2.2 Accounting

a. Authorized sick leave absences of up to three days shall be deducted from an EMPLOYEE'S Sick Leave Account.

b. Commencing with the fourth day of an authorized sick leave absence under this Article deductions shall be made against the EMPLOYEE'S Extended Sick Leave Account. In such cases the physician's certificate requirement of Section five (5) of this Article shall apply.

2.3 In the event an EMPLOYEE'S Extended Sick Leave Account is exhausted, sick leave absences shall be deducted from any remaining accrual in the EMPLOYEE'S Sick Leave Account.

2.4 In the event an EMPLOYEE'S Sick Leave Account or the Extended Sick Leave Account has the maximum accrual the ten (10) hours sick leave accrual (1 1/4 day) shall be applied in whole to the Account that has less than maximum. An EMPLOYEE shall not lose any portion of his/her sick leave credit per month until both accounts are at maximum.

Section 3. An EMPLOYEE may only utilize his/her accumulated sick leave allowance for actual illness, injury and disability of the EMPLOYEE, or because of serious illness in the EMPLOYEE'S immediate family, or to meet dental appointments, to take physical examinations or other preventative medical measures. When sick leave is used due to illness in the immediate family, use of such leave shall not exceed three days in any one time. "Immediate Family" shall include only the EMPLOYEE'S spouse, mother, father, step-mother, step-father, foster mother, foster father, mother-in-law, father-in-law, grandmother, grandfather, sister, brother, child, step-child, foster child, or any other relative living in the same household.

Section 7. In the event of an injury arising out of and in the course of an EMPLOYEE'S employment with the City, the EMPLOYEE shall be eligible for worker's compensation insurance benefits pursuant to the laws and regulations of the State of New Hampshire. The EMPLOYEE may elect to supplement such benefits by first drawing upon any accumulated sick leave to his/her credit until exhausted, and then by drawing upon any accumulated annual leave to his/her credit until exhausted. Sick leave used pursuant to this Section shall be deducted from the Extended Sick Leave Account until exhausted. In that event deductions shall be made from the Sick Leave Account. Any amounts paid shall not reduce the amount to be paid under worker's compensation, but in no case shall the total amount of supplemental benefits exceed the EMPLOYEE'S regular net wage, or exceed the amount of the EMPLOYEE'S accumulated sick or annual leave.
