For the purpose of administering the provisions of bereavement leave, immediate family shall mean; spouse, parent, brother, sister, child, grandchild, father-in-law, mother-in-law, step-parent, step-child, step-brother, step-sister, or a person living within the household.
- 12.3.2. An employee is entitled to bereavement leave at full pay for one working day for the purpose of attending the funeral of a grandparent, brother-in-law, sister-in-law, aunt or uncle.
- 12.4. Special Leave of up to three days may be granted by the Department Head to an employee in the event of the death of a person whose death presents special immediate family commitments, not to be added to 12.3.1. or 12.3.2.
- 12.5 **Family and Medical Leaves of Absence (FMLA)**
1. An employee is eligible to request an FMLA leave if he/she has been an employee of the Employer for at least twelve (12) months and has worked at least 1250 hours during the twelve (12) month period immediately preceding the leave.
 2. Subject to the requirements described in this policy, an eligible employee may request and will be granted up to twelve (12) workweeks of *unpaid* FMLA leave during any twelve (12) month period for one or more of the following events:
 - a. the birth and first year care of a child;
 - b. the placement of a child for adoption or foster care in the employee's home within 12 months of the placement;
 - c. the care of the employee's spouse, child or parent with a serious health condition; or
 - d. the employee's serious health condition which renders him/her unable to perform the functions of the employee's position.
 - e. the care of the employee's spouse, son, daughter, parent, or next of kin who is a covered service member and recovering from a serious illness or injury sustained in the line of duty while on active duty.
 - f. any qualifying exigency arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.

3. The Town of Exeter has the right to designate FMLA leave any time an eligible employee request time off for a qualifying reason. For example, if an eligible employee suffers a work related injury that qualifies as a serious health condition, the Town has the right to designate any time away from work as FMLA leave.
4. For purposes of calculating the amount of FMLA leave an eligible employee may request, the term "during any twelve (12) month period" means a rolling twelve (12) month period measured backward from the date requested leave will be used.
5. The taking of a FMLA leave shall not result in the loss of any employment benefit accrued prior to the date on which the leave commenced; provided, however, that nothing in this policy shall entitle any employee who returns from leave to the accrual of any seniority or additional employment benefits during the period of the leave.
6. Unless one of the exceptions in the law applies, an employee who takes an FMLA leave for the intended purpose of the leave shall be entitled, on timely return from the leave and completion of all required documentation, to be restored to the position of employment held when the leave commenced or to an equivalent position with equivalent employment benefits, pay and other terms and conditions of employment.
7. At the election of the eligible employee, any group health plan as defined by the FMLA will be maintained for the duration of an FMLA leave and at the level and under the conditions coverage would have been provided if the employee had continued in employment for the duration of the leave. The employee will be responsible for paying his/her share of the premium. While on an *unpaid* FMLA leave, the employee will be responsible for paying this part of the premium by submitting payment to the Human Resources Office on or before each regular payday. The Employer may recover its share of the premiums for maintaining coverage for the employee under such group health plan during the period of an FMLA leave if the employee fails to return to work (or returns but fails to stay 30 calendar days) for reasons other than the continuation or onset of a serious health condition entitling the employee to leave under paragraphs 2.c or 2.d above, or other circumstances beyond the employee's control. Certification of inability to return to work as specified and allowed by the FMLA will be required.
8. An employee must substitute any accrued paid leave for any unpaid FMLA leave, as permitted by the FMLA regulations. Upon exhaustion of any accrued paid leave, the remainder of any FMLA leave will be unpaid. In no case will the combination of paid and unpaid leave used for an FMLA purpose exceed twelve (12) workweeks in any twelve (12) month period as defined herein. Accrued paid leave will start with the following and continue until all accrued leave has been exhausted: Sick Time will be used for maternity leave, serious health condition or injury of the employee. Vacation/Personal Time used for care of a child and spouse after birth or adoption/foster care of a child, care of a spouse, child, parent or next of kin due to a serious health condition or injury.
9. FMLA leave for the birth/care of a child or for the placement of a child for adoption or foster care must be taken within the twelve (12) month period which starts on the date of such birth or placement. Regardless of when such leave begins, it will end no

later than the end of the twelve (12) month period. Unless specifically permitted, FMLA leave for these purposes cannot be taken on an intermittent or reduced leave schedule.

10. If both spouses are employed by the Employer, they are limited to a combined total of twelve (12) workweeks of FMLA leave during any twelve (12) month period for purposes described in paragraphs 2.a or 2.b above. However, each employee may use up to twelve (12) workweeks of FMLA leave during any twelve (12) month period if the leave is for purposes described in paragraphs 2.c and 2.d above.
11. An eligible employee who foresees that she/he will require a leave for the birth/care of a child, or for adoption or foster care placement, must notify the Human Resources Office in writing not less than thirty (30) calendar days in advance of the start date of the leave. If not foreseeable, the employee must provide as much written notice as is practicable under the circumstances, generally within two (2) working days of learning of the need for leave.
12. An employee who foresees the need for a leave of absence due to planned medical treatment for her/him or for her/his spouse, child or parent, should notify the Human Resources Office in writing as early as possible so that the absence can be scheduled at a time least disruptive to the Employer's operations. Such notice should be at least thirty (30) calendar days in advance of the start of leave, unless impracticable, in which case the employee must provide the written notice as early as circumstances permit, generally within two (2) working days of learning of the need for leave.
13. If the requested leave is to care for a spouse, child or parent who has a serious health condition, the employee will be required to file with the Human Resources Office in a timely manner a health care provider's statement that the employee is needed to care for the son, daughter, spouse, or parent and an estimate of the amount of time that the employee is needed for such care.
14. If the requested leave is because of a serious health condition of the employee which renders her/him unable to perform the functions of her/his position, the employee will be required to file with the Human Resources Office a health care provider's statement as allowed by the FMLA.
15. Subject to the limitations and certifications allowed by the FMLA, leaves taken under paragraphs 2.c or 2.d above may be taken intermittently or on a reduced leave schedule when medically necessary, provided a health care provider certifies the expected duration and schedule of such leave and provided further that where such leave is foreseeable based upon planned medical treatment. The employee may be required or may elect to transfer temporarily to an available alternative position for which the employee is qualified and that has equivalent pay and benefits and better accommodates recurring periods of leave than the employee's regular position.
16. An employee on an approved leave under this policy must inform the Human Resources Office every seven (7) days regarding her/his status and intent to return to work upon conclusion of the leave. In addition, an employee must give written notice as soon as practicable (within two business days if feasible) if the dates of leave change or are extended or initially were unknown. If an employee takes leave because of their own serious health condition, the employee will be required to submit a fitness-for-duty certification before returning to work.

17. The taking of another job (including self-employment) while on FMLA leave or any other authorized leave may lead to disciplinary action, up to and including termination of employment.
18. In any case where there is reason to doubt the validity of the health care provider's statement or certification for leaves taken under sections 2.c or 2.d above, the Employer may, at its expense, require second and third opinions, as specified by the FMLA, to resolve the issue.
19. The provisions of this policy are intended to comply with the Family and Medical Leave Act of 1993, and any terms used from the FMLA will be as defined in the Act or the U.S. Department of Labor ("DOL") regulations. To the extent that this policy is ambiguous or contradicts the Act or DOL regulations, the language of the Act or regulations will prevail.

12.6. Maternity Leave:

Any full-time employee who becomes pregnant may, subject to Town approval, remain employed during said pregnancy so long as said employee obtains a doctor's statement that she is able to perform the duties of her job adequately, it being the duty of said employee to provide to such doctor a copy of the duties for which she is responsible under her job description. The Town may also require that said employee obtain a doctor's statement by a doctor chosen by the Town at Town expense that such employee is capable of performing all duties of her job description. If conflicting opinions are rendered by the two doctors, a third doctor's opinion shall be obtained from a doctor mutually agreed upon by the Town and said employee at Town expense.

- 12.7. Leave of Absence Without Pay:** A permanent employee, upon proper application in writing to and upon written approval of the terms by the Town Manager, may obtain a continuous leave of absence without pay for a period not to exceed three (3) months, provided all ordinary leave has been exhausted.

When requesting a leave of absence without pay for personal reasons, all vacation leave shall be exhausted.

Extensions of leave for additional periods may be granted by the Town Manager. No annual leave or sick leave may be accumulated or used during a leave of absence without pay.
