PREAMBLE

The purpose and intent of the Town of Gilford and AFSCME entering into this Agreement is to promote orderly and peaceful relations between the Town and the organized employees in the bargaining unit covered by this Agreement and to provide, on behalf of the citizens of Gilford, approved services in an effective and efficient manner.

ARTICLE 1

RECOGNITION

- 1.1 The Town of Gilford hereby recognizes that the Union is the sole and exclusive representative of all employees who are part of the recognized bargaining unit in accordance with PELRB Certification Case No. A-0583. (Attached hereto as Appendix A)
- 1.2 Whenever used in this Agreement, the word "employee(s)" shall refer only to a person(s) actively and regularly engaged in the Town's work or enrolled on the regular payroll of the Town whose positions are included in the bargaining unit.

ARTICLE 2

NON-DISCRIMINATION

- 2.1 The Town and the Union agree not to discriminate in any way against employees covered by this Agreement on account of religion, race, creed, color, national origin, sex, sexual orientation, marital status, age or physical handicaps except where age or physical condition are bonafide qualifications for employment.
- 2.2 The Town and the Union agree not to discriminate against employees covered by this Agreement on account of membership in the Union.

ARTICLE 3

UNION SECURITY

- 3.1 Upon presentation of a signed authorization card by the employee to the Town, the Town agrees to deduct the official dues of said Union from the wages of each employee covered by this Agreement on a weekly basis and pay the total amount of dues collected to Business Manager, AFSCME Council 93, 8 Beacon Street, Boston, Massachusetts 02108 once a month, along with a statement indicating who has paid said dues.

- 3.2 The Union will keep the Town informed of the correct names and addresses of the Officers and Stewards of Local 534, AFSCME.
- 3.3 If employees have no check coming to them, or if their checks are not large enough to satisfy the dues, then no deduction will be made for them. In no case will the Town attempt to collect fines or assessments for the Union beyond the regular dues.
- 3.4 Each member of the bargaining unit who, on the effective date of this Agreement, is a member of the Union, and each employee who becomes a member of the bargaining unit and the Union after that date shall continue his/her membership in the Union during the duration of this Agreement; provided, however, that an employee may at his/her discretion and in writing, withdraw his/her membership from the Union anytime within five (5) working days prior to the anniversary date thereafter.
- 3.5 Any employee hired after March 31, 2005 who chooses not to join or not remain members of the Union shall pay to the Union a service charge for the cost of collective bargaining and contract administration. No part of this service charge shall be used for political donations. Said service charge shall not exceed the dues of members, and the Union agrees to defend and hold the Town harmless should there be a dispute between an employee and the Union over the matter of agency fee deductions.
- 3.6 Should there be a dispute between an employee and the Union over the matter of an employee's Union membership, the Union agrees to hold the Town harmless in any such dispute.
- 3.7 The Union shall post notices on departmental bulletin boards thirty (30) calendar days prior to the anniversary date of the contract to advise employees of their option as provided in Section 3.4 of this Article.

ARTICLE 4

DEFINITIONS

- 4.1 Probation: A probationary period must apply to all employees during the first six (6) months of the date of their original employment and from the date of promotion. Upon successful completion of probation, the Employee shall receive regular appointment to their designated position or classification. If deemed necessary by the Town, the probationary period from date of original employment may be extended for a maximum of three (3) additional months. In such cases, the Town shall provide training with goals and timetables for the employee to meet qualifications for regular appointment. An employee successfully meeting the qualifications following the extended probation shall be granted a rate adjustment retroactive to the date he/she would have completed the six (6) month probation. During the initial probationary period, a new employee may be dismissed for any cause at the sole discretion of the Department Manager.

- 4.2 Regular Full-Time Employees: Employees who have successfully completed a probationary period and who are assigned to a regular workweek of at least forty (40) hours.
- 4.3 Temporary Employees: Employees who are employed on a continuous full-time basis for a predetermined length of time not to exceed one (1) year, or are otherwise not intended to fill positions permanently. Unless specifically noted, temporary employees are exempt from the provisions of this Agreement.
- 4.4 Seasonal Employees: Employees retained on a continuing work schedule for a specified position for a period not to exceed twenty six (26) weeks in a calendar year.

ARTICLE 5

SENIORITY

5.1 There shall be three (3) types of seniority:

- a. Town Seniority
- b. Department Seniority
- c. Classification Seniority

Town Seniority shall relate to the time an employee has been continuously employed by the Town.

Department Seniority shall relate to the time an employee has been continuously employed by the Department.

Classification Seniority shall relate to the time an employee has been continuously employed in a particular grade classification.

- 5.2 Town Seniority shall apply only for service related benefits for non-unit Town employees transferring to the Unit.
- 5.3 Department Seniority shall prevail in matters concerning layoffs and rehiring. Qualified and available permanent employees shall be reinstated before new employees are hired.
- 5.4 Department Seniority shall be the type considered in matters concerning “promotions” and “transfers” as set forth in Article 6 of this Agreement.

5.5 No employee shall have the right to replace another employee in any classification by virtue of Department Seniority alone, except that, in the event of a permanent lack of work in any classification, those employees concerned in that classification shall be assigned to the next lower classification for which they are qualified and for which they have Department Seniority. Such employees will be reduced to the pay step in the lower pay grade resulting in the least loss of pay. Displaced employees in those lower classifications shall have the same rights of reassignment as referred to in this Section 5.5.

Employees who suffer a layoff shall be placed on a recall list for one (1) year. Such employees shall be afforded the opportunity to return to work prior to new employees being hired.

5.6 Upon receiving a promotion, an employee's name shall be entered at the bottom of that particular Classification Seniority list to which he/she has been promoted, regardless of his/her Town Seniority, and he/she shall be considered to be the junior employee in that classification regardless of Town Seniority of other employees already in that job, until such time as other promotions are made into this classification. New promotions shall be entered at the bottom of the particular Classification Seniority list concerned.

5.7 Until a newly hired employee has served an initial probationary period of six (6) months, it shall be deemed that he/she has no seniority status, and he/she may be discharged or laid off with or without cause, and such discharge or layoff shall not be subject to the grievance procedure.

5.8 An employee shall not forfeit seniority during absences caused by:

- a. Illness/injury of up to eighteen (18) months resulting in total temporary disability due to his/her regular work with the Department involved, certified to by an affidavit from Worker's Compensation carrier.
- b. Non-work related illness/injury not the result of his/her misconduct, resulting in total temporary disability for which the employee is using accrued vacation and sick and such absence is certified to by a physician as may be required in accordance with the Town's Short Term/Long Term Disability provider and/or the Town's Family and Medical Leave Policy issued August 28, 1996.

5.9 An employee shall lose his/her seniority for, but not limited to, the following reasons:

- a. If an employee is on paid or unpaid leave other than as provided in 5.8 a. above or unless otherwise approved at the sole discretion of the Town Administrator.
- b. If an employee is discharged and if such discharge is not overruled by an appropriate authority.
- c. If he/she resigns.

- 5.10 The employee's present Classification Seniority, as of the effective date of this Agreement, shall be the only type of seniority considered for the purpose of establishing the Classification Seniority System called for in this Article. This Classification Seniority must have been continuous in nature to merit consideration under this Section.
- 5.11 The preparation and maintenance of the Town and Classification Seniority Lists shall be part of this Agreement. The Town, Classification and Department Seniority lists are to be drawn up and posted once a year in April on the Union bulletin boards. Disagreement with the list shall be processed within twenty (20) work days of posting or the list shall stand as approved.

ARTICLE 6

PROMOTIONS & TRANSFERS

- 6.1 Vacancies and promotions shall be filled by the most qualified applicant as determined by the Town; however, if qualifications are considered equal seniority shall be the determining factor. The Town will make every effort to promote qualified employees from within the bargaining unit. The job description shall be posted with the application.
- 6.2 Jobs to be filled through hiring/promotion/transfer shall be posted on the Union bulletin boards in the department in which the vacancy occurs for a period of at least ten (10) working days and simultaneously be advertised externally. Any employee on leave will automatically be placed on the candidate list.
- 6.3 Vacancies in management positions which are excluded from the bargaining unit shall be posted on the Union bulletin boards, provided, however, that appointment to these positions shall not be subject to the grievance procedure of this Contract. In addition, employees who accept a promotion or voluntarily transfer to a position that is not covered under this Agreement shall cease being entitled to the benefits and other conditions of employment as set forth herein, except as otherwise set forth herein.
- 6.4 Wherever possible, promotions/transfers shall be made from the ranks of regular employees who are employed by the Division in which the vacancy occurs. If there is no qualified applicant in the Division, the promotional/transfer opportunity shall be extended to all other Divisions.
- 6.5 When a question as to the proper person having been chosen to fill any jobs arises and it cannot be resolved, it will be settled by using the grievance procedures contained herein.
- 6.6 Job posting(s) shall include job specifications, rate of pay, job location, the shift and also if the job is permanent with a permanent rating.
- 6.7 The above procedures shall be followed in all promotions, vacancies and transfers whether permanent or temporary assignments expected to last more than six (6) months.

- 6.8 An employee who meets the minimum qualifications and is promoted to a higher level position shall be placed in a probationary status not to exceed six (6) months in the higher position. The employee shall periodically be evaluated to determine if he/she is performing the job in a satisfactory manner. If an employee is not able to satisfactorily perform the higher level duties or desires to return to his/her former position then he/she shall be reduced in status to the same classification, pay grade and pay step he/she had obtained or would have been entitled had he/she not accepted the promotion prior to promotion.
- 6.9 The Town reserves the right to make lateral transfers and re-assign roles or duties within the bargaining unit at the same pay grade classification at its sole discretion, provided there is no reduction in base pay rate.
- 6.10 Employees who are promoted to another position within the bargaining unit shall be entitled to a minimum five percent (5%) pay increase or the equivalent step or proportion thereof for the pay grade applicable to the new position, whichever is higher.

ARTICLE 7

WAGES

- 7.1 Pay Plan. All employees whose positions are subject to this Agreement shall be paid an hourly wage pursuant to the pay classification plan attached hereto as Appendix B. Said plan shall be in effect as of the first pay period in April 2010. It shall be understood that the plan consists of minimum and maximum pay rates to be in effect for all unit employees, but the steps shall serve only as a guide for the placement of new employees as set forth in Section 7.3.
- 7.2 Wage Rates. Current employees (as of the date this Agreement is ratified by the parties) shall be assigned an employee classification and a specific pay rate in accordance with the pay classification plan referenced herein effective during the first pay period in April 2010, pursuant to the wage schedule attached hereto as Appendix C.
- 7.3 Initial Pay Rates. For new employees hired after the date this Agreement is ratified, the Town reserves the right to assign the initial pay rate (step) based on experience and qualifications and the availability of budgeted funds as determined solely by the Board of Selectmen. However, any existing employee in the same pay grade with similar (or greater) qualifications and experience may utilize the provisions of Section 7.5 below, to seek a step reclassification.

7.4 Merit Pay Increases. All unit employees shall be subject to job performance evaluations which shall be used to determine (a) whether or not a probationary period has been completed satisfactorily; and if so how much of a pay increase has been earned; (b) the extent to which an employee is meeting his/her job expectations and goals as established by his/her supervisor on an annual basis; and if so how much of a pay increase has been earned; and (c) the extent to which employee conduct or behavior has been modified upon identification by a supervisor of a need for improvement.

7.4.A Job performance evaluations shall be conducted in accordance with the Personnel Evaluation Program attached hereto and incorporated herein as Appendix D as a means of determining a wage rate increase to be applied upon successful completion of a probation period and annually thereafter upon the employee's anniversary date. Merit pay increases shall be based on the following evaluation results, to be rounded to the nearest tenth of a percent:

- Unsatisfactory = 0% (subject to additional review in 90 days)
- Needs Improvement = 1% (subject to additional review in 90 days)
- Proficient = 2%
- Commendable = 3%
- Exceptional = 4%

7.4.B In the event that a merit pay increase would otherwise result in an employee being compensated in excess of the maximum pay rate for that classification, the Town shall increase the employee's pay up to the maximum amount and the difference thereafter shall be paid in a lump sum disbursement. (Example: an employee making \$19.50 per hour with a maximum pay rate of \$20 is given a 4% merit pay rating resulting in a pay rate of \$20.28. The employee's new rate of pay would be the \$20 per hour maximum; however the remaining 28 cents shall be disbursed as a \$582.40 payment - $\$0.28 * 40 * 52$.)

7.4.C An employee's initial anniversary date for the purposes of merit pay increases and job evaluations shall be the date of hire. Thereafter, the anniversary date shall be the effective date of a promotion or reclassification.

7.5 Extraneous Pay Rate Adjustments. The Union may submit written requests to the Board of Selectmen to increase an employee's step classification or reclassify an employee's job title (upward but not downward) for good cause. In addition, the Union may request the Board of Selectmen approve a step adjustment (upward, but not downward) for any employee whose compensation rate is at least ten percent (10%) lower than a compilation of comparable employees from other municipalities in Belknap County. The Selectmen may request the Union provide such justification as they deem necessary to render a decision at their sole discretion.

Temporary Service Out of Rank. A unit employee who performs the duties of a higher rank for a period of one week or more upon authorization of the Department Manager, shall be paid an additional five percent (5%) of his/her wages while performing such duties. Assignments for such duties shall be at the discretion of the Town, taking into account seniority and qualifications. (However, it shall be understood that nothing in this Agreement shall be construed to prevent or limit the ability of supervisors from performing the duties of subordinates whenever necessary upon the direction of the Department Manager or his/her designee.)

- 7.6 Heroic or Meritorious Effort Pay The Board of Selectmen, upon recommendation of the Town Administrator and Department Manager, may award an employee an extra day's pay for an exceptionally heroic or meritorious performance of duty, not to exceed five hundred dollars (\$500) or three (3) days pay, to any one employee in a year.

ARTICLE 8

HOURS OF WORK AND OVERTIME

- 8.1 (a) The work week for bargaining unit employees of the Department of Public Works shall be 40 hours per week, Monday through Friday. Regular work schedules shall be established for each division by the Board of Selectmen, provided, however, that employees shall be notified of any changes at least two (2) weeks in advance, unless such changes are made to accommodate requests from employees.
- (b) All time worked in excess of forty (40) hours in any one (1) week for hourly rated employees shall be paid at the rate of time and one-half. All hours paid during the workweek exclusive of sick leave and nonwork hours associated with call back shall be counted as hours worked for the purpose of determining the forty (40) straight-time hours.
- (c) The parties agree that there will be no layoffs during the life of this Agreement.
- 8.2 Any person who has left their place of employment and is recalled for work prior to the next normal shift will be paid time and one-half with a two (2) hour minimum. An employee who is called back and who completes the required task and returns to his/her residence within the two (2) hour minimum guarantee may be called back for additional emergency or overtime without an additional two (2) hours minimum work guarantee. It is the purpose and intent of this Section to assure an employee of at least two (2) hours of pay at overtime rates for the inconvenience of being called back to work between the normal shifts, but not to be separately paid for several call backs within the same two (2) hour minimum guarantee period.

Any employee who is called in at least one (1) hour or more prior to the start of his/her normal shift shall receive such two (2) hour minimum guarantee outlined in the previous Subsection of this Section.

- 8.3 The workday or workweek shall not be interrupted to avoid the payment of overtime. During storms, employees sent home early due to safety concerns as determined by the Department shall not lose any overtime. Employees who request time-off for safety reasons due to extended work hours may be given up to sixty (60) minutes as a paid break after working at least twelve (12) consecutive hours or they may be allowed to leave work without pay at the discretion of the Department Manager or his/her designee.
- 8.4 Overtime work which is scheduled shall be assigned first on a rotating basis among all qualified employees by classification within the Division which normally performs the work. If the overtime situation requires additional employees to be assigned, then such assignments shall be made among qualified employees on the basis of Department Seniority. When unscheduled overtime requires immediate action, the supervisor may forego the rotating schedule and assign the work to a qualified employee who can respond to the situation in the timeliest manner.
- 8.5 At a minimum, employees shall be allowed a one-half (½) hour unpaid lunch break and two (2) paid ten (10) minute breaks; one occurring mid-way between the start of a shift and lunch break and one occurring generally mid-way between lunch and the end of a shift or one (1) twenty (20) minute break generally midway between the start of the shift and lunch.
- 8.7 Bargaining Unit Work: Supervisory employees shall not perform work which is ordinarily performed by bargaining unit employees, except in the following types of situations: in emergencies arising out of unforeseen circumstances which call for immediate action and/or there is no verbal response to call back page within ten (10) minutes of such page to avoid interruption of operations or in the instruction or training of employees including demonstrating the proper method to accomplish a task assigned or where the performance of such work is not intended to displace or avoid overtime or when the work required can be accomplished in less than one hour.
- 8.8 When the Town closes its offices and gives affected Town employees their regular pay for not being at work, all bargaining unit employees required to remain on the clock shall, in addition to their regular hourly rate, be paid one (1) additional hour's pay at their regular rate for each hour of Town Hall closure occurring during the regular work schedule.

ARTICLE 9

PERSONNEL FILES

- 9.1 Employee Access to Personnel Files. The rights of employees to access to their personnel file shall conform to RSA 275:56, provided, however; employees may only review these files during non-working hours. There shall be a charge of ten cents per page for copies of documents.

- 9.2 Personnel Records: Nothing that may be used against an employee shall be placed into the personnel file of an employee until the employee is given an opportunity to review it. The employee shall sign it acknowledging that the opportunity to review was given, but such signature shall not indicate agreement with it. Employees shall have the right to duplicate material in their personnel files, or any material which is placed in their files. Personnel files shall not include any unfounded complaints.

ARTICLE 10

- 10.2 All work performed on a holiday shall be paid at the rate of time and one half (1 ½) over and above the regular hours paid for the holiday for all hours worked. Regular hours shall be either eight (8) or ten (10) dependent upon the employee's regular work schedule at the time of any specified holiday.
- 10.3 A listing of holidays will be posted on all Union bulletin boards.
- 10.4 Should any of the above holidays fall on a Saturday, the preceding Friday shall be considered the holiday. Should any of the above holidays fall on a Sunday, the following Monday shall be considered the holiday. In the event an employee is assigned a four (4) day ten (10) hour per day schedule and the holiday falls on an unscheduled work day, the employee shall be paid eight (8) hours at straight time in addition to those hours paid for his/her four (4) day schedule.
- 10.5 Payment for the above holidays will be made only if an employee has worked the scheduled day prior to and the next scheduled workday after such holiday. However, payment for the holiday will be made if the employee who is absent either or both workdays due to verified, legitimate circumstances for which this Agreement else where provides for paid leave.
- 10.6 An employee shall normally receive eight (8) hours holiday pay for any day considered as a paid holiday except if the employee's then weekly schedule consists of four (4) ten (10) hour days then in that even the employee shall receive ten (10) hours holiday pay.

- 10.7 The floating holiday shall be on December 24 in the event that Christmas is on a Tuesday and it shall be on December 26 in the event that Christmas is on a Thursday, otherwise the floating holiday must be used at the employee's discretion during the calendar year upon one week's notice to the Department Manager, provided, however the Town may revoke the holiday in the event of a weather related emergency, in which case the employee may take some other day or request a day's pay.

ARTICLE 11

11-20	3.08 hours (up to 20 days per calendar year)
21+	3.85 hours (up to 25 days per calendar year)

[NOTE: time-off for unpaid leaves of absence after FMLA or unpaid suspensions shall not count as time worked for the purpose of calculating vacation leave earnings, but all other forms of leave shall constitute work time for the purposes of this Section.]

- 11.2 Upon severance of service, an employee shall be compensated for all unused vacation leave.
- 11.3 Each employee shall have the right to submit a written vacation request during the month of January for that calendar year to be approved by the Department Manager by February 15 in writing based on seniority and the staffing needs of the Department. Vacation schedules shall be determined by the Department Manager in accordance with Department requirements but shall make all reasonable efforts to accommodate an employee's request. Thereafter, vacation requests shall be approved by the Department Manager in writing on a first-come, first-served basis, consistent with the needs of the business; however, the Town reserves the right to revoke a vacation at anytime in the event of an emergency if the employee is available to work.
- 11.4 Employees who wish to receive their vacation check(s) in advance must request them one (1) week in advance.
- 11.5 Employees shall be required to take one (1) continuous week vacation; employees shall be allowed to take single day vacations.
- 11.6 Employees will be credited with vacation time earned during the initial probation period upon the successful completion of the probation period.

- 11.7 As a result of amendments to the NH Retirement System enacted in 2008 under HB 1645, employees will only be allowed to carry-over eighty (80) hours of unused vacation time from one fiscal year to the next, beginning January 1, 2010. Employees who have utilized at least one entire week of vacation pay may thereafter cash in any amount of unused accumulated vacation leave at a rate of fifty percent (50%). Unused vacation leave in excess of eighty (80) hours at the end of the year will be bought back at a rate of fifty percent (50%) payable with the last paycheck in the fiscal year at the pay rate in effect at that time, except in cases where a scheduled vacation leave request was canceled by the Town for public safety reasons, in which case the employee shall be paid for one hundred percent (100%) of that unused leave.

ARTICLE 12

SICK LEAVE

- 12.1 After completion of the initial probationary period, bargaining unit employees shall be eligible for sick leave use. Upon completion of the probationary period, an employee shall be credited with the appropriate number of sick leave days.
- 12.2 Each permanent employee shall earn sick leave with pay at the rate of one day of sick leave for each completed calendar month of service. Sick leave shall not be taken in advance of earning same. [NOTE: time-off for unpaid leaves of absence after FMLA or unpaid suspensions shall not count as time worked for the purpose of calculating sick leave earnings, but all other forms of leave shall constitute work time for the purposes of this Section.]
- 12.3 Unused Sick leave may be accumulated up to a maximum of twenty-four (24) work days.
- 12.4 An employee eligible for sick leave with pay may use sick leave for absences due to his/her illness or injury, dental appointments, physical examinations or prescribed treatment by a physician. The Department Manager shall require a doctor's certificate before approving Sick Leave with pay for a period or periods of absence of more than three (3) consecutive work days.
- 12.5 Absences for a fraction or part of a day that are chargeable to Sick Leave in accordance with these provisions shall be charged proportionately in an amount not smaller than one quarter (1/4) hour.

No sick leave benefits shall be paid on the basis of time and one-half.

12.7 Upon severance of service with at least two weeks notice, or in the event of an employee's death, an employee shall be compensated for unused sick leave days to his/her credit up to a maximum of twenty-four (24) days at the employee's current wage rate as follows:

less than five (5) years	-	0
five (5) years - ten (10) years	-	one half (½)
over ten (10) years	-	100%

12.8 Sick leave may be used where there is serious illness in the employee's immediate family up to a maximum of four (4) days per year.

12.9 The Department Manager shall be notified within one (1) hour, except in cases of emergency, of the appointed time for the employee to enter duty, of any illness or injury which will prevent him/her from reporting to work.

12.10 The Town reserves the right to relieve employees from duty and place them on sick leave (to be paid if accumulated time is available) upon a determination that an employee is too sick to work safely or poses a risk of spreading a health condition to other employees. An employee who is aggrieved by this decision must provide the Town with a doctor's note indicating they are healthy enough to work and/or do not pose a threat of contaminating others, in which case the leave time shall be restored as if it were worked.

12.11 Catastrophic sick leave Donations. Bargaining unit members may contribute accumulated sick days for the benefit of another bargaining unit member who has exhausted all leaves as a result of a catastrophic illness or injury. Donated days of sick leave will be debited from the member's accumulated sick leave account. No individual member may contribute more than 20 days of sick leave per eligible catastrophic event.

Participating members may be eligible to receive up to fifty (50) days of donated sick leave (at the employee's regular rate of pay) per event during the period of employment with the Town of Gilford. The value of donated sick leave days shall be calculated at the donor's regular rate of pay. Use of donated sick time shall not serve to change any existing conditions of employment or extend the member's tenure in position.

In order to invoke this policy, a bargaining unit member must submit the following to the Town Administrator:

1. A written statement requesting authorization to receive or donate sick leave, including the commencement date.
2. A doctor's statement indicating the nature of the illness, if not previously submitted.
3. A doctor's statement indicating the current status of the illness must be provided at each twenty-five (25) day interval (if more than 25 days are donated/received).

The recipient employee must have achieved the following:

1. Exhaustion of all available sick and annual leave.
2. Absence from work due to illness for at least five (5) consecutive days.

The Administrator and at least two members of the bargaining unit representation will review requests. The administrator shall approve or disapprove the request within five working days. The decision of the Administrator is final and not subject to the grievance procedure.

- 12.12 An employee's position shall be retained for up to twenty-six (26) weeks from the date of disability due to non-job related illness or injury. Any request for an extension beyond twenty-six (26) weeks must be handled as set forth in Section 13.5.

APPENDIX D

TOWN OF GILFORD DEPARTMENT OF PUBLIC WORKS AFSCME LOCAL 534

Personnel Evaluation Program Effective April 1, 2009

PURPOSE

The Town of Gilford and the employees of the Department of Public Works as represented by AFSCME Local 534, recognize that a performance evaluation system is a valuable tool to measure an employees' overall contribution towards the achievement of departmental goals and objectives as established by management. In addition, this process is a means of periodically documenting employee accomplishments, strengths and areas where improvement may be needed.

Of equal importance, however, is the use of the evaluation process to ensure the communication of departmental goals and objectives from the standpoint of (a) general expectations of all employees; and (b) specific expectations based on job classifications; with the understanding that management shall also assess specific expectations based on routine feedback and prior evaluation results.

Ultimately, this evaluation process is intended to be used as a basis for quantifying job performance on a numerical basis in order to determine merit pay increases (subject to the terms and conditions of the collective bargaining agreement).

PROCEDURES

Step 1 – An employee's immediate supervisor shall provide an employee with an evaluation packet (to include a current job description) with a deadline date (up to 7 days) to complete a self-appraisal. The employee shall return the completed form to the supervisor and schedule a mutually convenient time and place to meet during work hours.

Step 2 – The supervisor shall meet with the employee to discuss the self-appraisal results and the supervisor's observations on all evaluation criteria.

Step 3 – The supervisor shall then complete an independent evaluation pursuant to the guidelines set forth herein. The supervisor shall submit his/her "draft" evaluation and the employee's self-appraisal to the Director of Public Works who shall then prepare the actual evaluation for review by the Town Administrator, to be forwarded along with a copy of the "draft" evaluation and the employee's self-appraisal.

Step 4 – The Town Administrator shall ensure the final evaluation is consistent with federal and state labor laws and the guidelines set forth herein; as well as making sure the evaluation is an unbiased and accurate reflection of the employee's job performance to the greatest extent possible.

Step 5 – The Director of Public Works shall meet with the employee to present the final evaluation and discuss the results. The employee shall thereafter be given one week to sign and return the form along with any personal remarks desired. In addition, the employee may appeal the evaluation pursuant to the grievance process set forth in the collective bargaining agreement.

Step 6 – Upon receipt of the employee's signed evaluation, the Town Administrator shall process such paperwork as may be necessary to provide the employee with a pay increase based on the evaluation results as of the effective date (anniversary or completion of probation). The final evaluation shall be placed in the employee's personnel file.

GUIDELINES

It shall be the policy of the Town to have supervisors conduct employee job performance evaluations based on the following principles:

1. Objectivity
2. Honesty, Truthfulness & Integrity
3. Consistency
4. Accuracy
5. Accountability

Supervisors shall be specifically trained by the Town in the evaluation process to ensure they are familiar with these principles and guidelines in the administration of their evaluation responsibilities.

Evaluations will be limited to a defined time period, whereby conduct that took place prior to or after the specific evaluation period shall not be considered, except to the extent that improvements or the need for corrective action had been previously identified.

The evaluation form is organized using a numeric grade system to rate employee job performance based on the following scale:

- [0.0] Unsatisfactory: Minimum expectations are not being met; performance is highly deficient
- [0.5] Half-way Between Unsatisfactory and Needs Improvement
- [1.0] Needs Improvement: Performance is somewhat below expectations; better effort is required and/or more focus on results
- [1.5] Half-way Between Needs Improvement and Proficient
- [2.0] Proficient: Meets expectations; average performance
- [2.5] Half-way Between Proficient and Commendable
- [3.0] Commendable: Performance expectations are often exceeded; goes above and beyond the basic effort with good results
- [3.5] Half-way Between Commendable and Exceptional
- [4.0] Exceptional: Superior effort and outstanding results are consistently demonstrated
