ARTICLE I RECOGNITION

1.1 The Town of Gorham, New Hampshire (hereinafter referred to as the "Town") with a certified bargaining Unit represented by AFSCME, AFL-CIO (hereinafter referred to as the "Union") hereby recognizes AFSCME LOCAL 3657 as the exclusive representative of the bargaining unit contained herein for the purpose of collective bargaining with respect to rates of pay, wages, hours and other conditions of employment other than those managerial policies referred to in RSA 273-A:1:XII, which are the exclusive prerogative of the Town. The following certification is for the unit that has been certified by the New Hampshire Employee Labor Relations Board:

POLICE DEPARTMENT

Whenever used in this Agreement, the Employee shall refer to all permanent, full-time, permanent part-time employees of the Gorham Police Department, including Sergeant, Corporal, Lead Patrolman, Patrolmen, Full-time Dispatch Supervisor, Dispatchers, Secretary/Dispatcher and Dispatcher/Computer Operator as per the Public Employee Labor Relations Board certification A-0540.

ARTICLE II UNION MEMBERSHIP/DEDUCTIONS

2.1 The Town agrees to deduct from employees' payroll, Union dues or Agency fee payments equal to weekly Union dues for each employee upon receipt of written authorization for such deductions. Request for deduction shall be in writing, signed by the employee, on an authorization card supplied by the Union in a form acceptable to the Town. Deductions shall be made from the employee's bi-weekly paycheck for the amount of dues or agency fee payments for that pay period as certified by the Local Treasurer, said amounts to be forwarded on a monthly basis. The Union shall promptly inform the Town of the correct name and address of the Local Treasurer. Payment shall be sent by the 15th of the month for the previous month's deductions.

It is recognized that the negotiations for and administration of the Agreement entail expenses which appropriately should be shared by all employees who are beneficiaries of this Agreement. To this end, if an employee in the bargaining unit does not join the Union, such employee will as a condition of employment by the town, execute an authorization for the deduction of an agency fee payment which shall be a sum equivalent to the membership dues required to be paid by members of the Union.

If an employee has no check coming in any pay period, or if the check is not large enough, after other deductions, to pay dues or agency fee payments, then no deduction is made from that employee and no payment is required for the Union beyond regular dues or agency fee payments.

In no case is the Town required to collect fines or assessments for the Union beyond regular dues or agency fee payments.

The town shall be held harmless with regards to any dues deductions on behalf of the employees.

Employees of the bargaining unit shall comply with the Town of Gorham drug and alcohol testing policy of December 14, 2020.

ARTICLE IV

HOURS OF WORK AND OVERTIME

4.1 HOURS OF WORK

Employees covered by this Agreement shall continue under their current practices regarding actual hours of work subject to the provision of Section 4.3 of this contract. All eligible employees will be provided with a thirty (30) minute paid lunch period. The normal work week for Permanent

Full-Time Employees shall consist of Forty (40) hours; or Eighty (80) hours bi-weekly. Dispatch will work six (6), twelve (12)-hour shifts and one (1) eight (8)-hour shift per pay period (bi-weekly).

Dispatchers will be allowed one 15-minute break within every four-(4) hour period during their shift. These breaks shall be away from the dispatch area, but not outside the building. Breaks shall be covered by the officer on duty. In the event of an emergency, breaks may be suspended.

4.2 HOURLY POSITIONS

This class of positions shall include those in Article I Recognition, who shall be paid on an hourly rate for time actually worked, and for any authorized employee holidays or any earned leave with pay granted by the Town Manager.

4.3 OVERTIME

- A. The scheduled work week will determine overtime rates. If the employee's work day is a twelve (12) hour day, compensation will be made at the rate of time and one-half of the average rate of pay for any hours in excess of twelve (12) hours, or if the employee's work day is a ten (10) hour day, compensation will be made at the rate of time and one-half of the average rate of pay for any hours worked in excess of ten (10) hours, or if the work day is an eight (8) hour day, then all hours in excess of eight (8) hours in any one (1) work day shall be compensated at the rate of time and one-half of the employee's average rate of pay. Sick leave and vacation hours do not count as actual time worked.
- B. At the request of the Chief of Police or the Dispatch Supervisor, meetings may be called each quarter with one week's notice, unless there is an emergency. All hours in attendance shall be counted as hours worked in the computation of any applicable overtime.
- C. The parties shall create an overtime list based on seniority. Once established the overtime opportunities will be based on a rotating schedule. Upon accepting or declining the overtime opportunity, the employee will be moved to the bottom of the overtime list. Newly hired probationary officers shall not be assigned any overtime until and unless all other permanent officers have declined the overtime opportunity. Part-time officers will be asked prior to an overtime situation being created.

4.4 OUTSIDE DETAILS

All sworn bargaining unit members will have the right of first refusal of any detail. After all sworn bargaining unit members have been offered the outside detail and in the event that no bargaining unit member takes the detail, then non-bargaining unit members may be used to fill said detail at the direction of the Town.

Assigned officers shall be paid at the rate of fifty dollars (\$50.00) per hour for such details during the term of this contract.

Assigned officers shall be paid a minimum of three (3) hours pay for each detail contracted by private employers through the Town.

4.5 CALL BACK PAY

Employees who are called back to duty after the conclusion of their regular work day shall be paid for at least three (3) hours of service at the rate of one and one-half times their regular rate of pay. If the need for service is less than three (3) hours, the employee will be guaranteed three (3) hours at the overtime rate. In the case where an employee is required to be called back more than once during a single three (3) hour period, the employee shall only be paid for one (1) call back period.

It is important to note the distinction between call back pay and overtime. The key difference between the two (2) policies is that call back pay is earned when an employee returns to work after having left for the day, while overtime is earned for work in excess of a regular workday or workweek. As a means of making call back attractive, a minimum number of hours is guaranteed to employees for their services as call back is usually used in emergency situations.

ARTICLE V

LEAVES

5.1 HOLIDAY LEAVE

All permanent and part-time permanent employees shall be granted the following Holidays with pay effective on the date of employment:

New Year's Day
Martin Luther King, Jr. Day
President's Day
Memorial Day
4th of July
Labor Day
Columbus Day
Veterans Day
Thanksgiving Day
Friday following Thanksgiving Day
Christmas Day

Employees who are absent for unauthorized reasons on the day directly preceding or directly following the holiday shall forfeit pay for the Holiday. Employees shall be paid straight time at their regular pay plus time and one-half for work performed on a Holiday. Holidays shall be observed for the purpose of compensation on the actual day of the holiday and not on any alternate day of celebration.

5.2 VACATIONS

Employees shall begin accruing vacation leave on their date of hire based on the following schedule:

| | |
|------------------------------|-----------|
| After 6 months of employment | 40 Hours |
| After 1 year of employment | 80 Hours |
| After 5 years of employment | 120 Hours |
| After 10 years of employment | 160 Hours |
| After 15 years of employment | 200 Hours |

Any employee hired after January 1, 2018 will be capped at four (4) weeks of vacation time after ten (10) years of service.

The Police Chief may, at his own discretion and for recruiting purposes, offer any full-time certified police officer applicant with experience a commensurate vacation benefit as their previous place of employment. For employees leaving the Town's employ, any annual leave benefit will be prorated based upon their anniversary date.

An employee cannot earn more than the allowable number of days for the most recent year of employment. Any unused vacation time over this amount will be lost unless asked to work by Supervisor, in which case, compensatory time must be allowed.

Employees who are eligible for more than three (3) weeks or fifteen (15) days per year must take at least three (3) weeks of vacation per year, and may (at their option) request to carry forward any additional weeks to the following year. Employees must make a declaration of their option to do so to the Town Manager by December 1, of the preceding year.

Definition of accrued vacation days:

- (1) The total number of days of paid vacation which an employee has earned, less the number of days of paid vacation the employee has taken during the same earning period of time.
- (2) Employees may take all or part of their accrued vacation beginning as early as six (6) months after commencing employment.
- (3) It is intended that Employees utilize each year's accrued vacation allocation within a twelve (12) month period beginning with January 1 of each year. However, employees may carry-over two weeks of accrued vacation from one year to another, with the prior approval of the Town Manager.
- (4) Each employee may take the paid vacation to which he/she is entitled after approval of the Police Chief. Vacation time must be taken in units of not less than one-half (1/2) day. Vacation schedules will be the responsibility of the Police Chief. Final requests/approvals of vacation should be completed by April 1 of each year with preference given by seniority. In the event more employees apply for time off than can be spared from the job at a given time, town seniority will be the basis for resolving priority. No employee will be denied taking accrued paid vacation during the period requested except for good cause. The Police Chief will arrange a tentative schedule of vacations and the schedules shall be arranged so as to have minimum interference with the work

load to the maximum extent feasible. Employees have a responsibility to request their paid vacation time as far in advance as practical in order to avoid last minute disappointment.

(5) If a regular employee retires or resigns from employment with the town, he or she shall be entitled to receive a lump payment for his/her accrued vacation leave.

5.3 SICK LEAVE

Sick leave is a privilege not a right. All regular employees shall be entitled to accumulate sick days at the rate of eighteen (18) hours per month commencing with the employee's date of hire and will be allowed to accumulate to a maximum of two hundred forty (240) hours. Employees may use sick leave for a bona fide illness, injury, medical examination, or other health-related purpose. An employee on sick leave must notify or cause notification to be made to his or her department head or supervisor prior to, or at least one (1) hour before the scheduled starting time. Failure to do so shall be cause for denial of pay for the period of absence. A doctor's note will be required for absences longer than three (3) consecutive days. For serious infectious diseases, a doctor's note shall be required that states an employee is released to return to work.

In the event all accumulated sick leave has been used, the employee may take any accumulated vacation days. Employees who have a minimum of 15 years of service with the Town shall receive 75% of their accrued sick leave upon retirement or voluntary resignation. In the event of death, the beneficiary shall receive a lump sum payment equal to 75% of accumulated and unused sick leave up to a maximum of one hundred eighty (180) hours.

DONATION OF SICK LEAVE: In cases where a regular full-time or part-time employee because of illness or injury has used up, or is about to use up, all of his/her accumulated sick leave and has a balance of vacation time of no more than two (2) weeks, the Town Manager may, where he/she determines that said employee has kept a good attendance record and a good work record, invoke this paragraph and authorize the start of the procedure for the donation by other interested Town employees of sick days to said employee. The following provisions and restrictions shall be incorporated into any such sick leave donation procedure set up by the Town Manager in addition to any other restrictions or requirements he/she deems appropriate at the time.

1. In order to be eligible to donate sick days, employees will have to have accrued at least one hundred twenty (120) hours of accumulated sick time as of the donation.
2. Employees who have accumulated the minimum of one hundred twenty (120) hours may donate no more than forty (40) hours of their total sick leave accumulation in any one instance.
3. All sick hours donated will be deducted from the accumulated sick leave of the donor.
4. All sick days donated but not used for the purpose of the original donation will be returned to the donor(s) on a prorated basis rounded to the nearest half day.
5. Employee must use any accrued vacation time over two (2) weeks prior to requesting donations.

5.4 PERSONAL OR EMERGENCY LEAVE

Two (2) paid personal days, as per the duration of the scheduled shift, will be provided to all full-time and permanent part-time employees, who work a minimum of twenty-four (24) hours per week. One personal day is equivalent to the number of hours the employee works during a regular, currently assigned shift. Temporary employees are not entitled to any paid personal days. A part-time employee, who works less than 24 hours per week, will be paid for personal days on a prorated basis in accordance with his/her regular hours of work. Personal days may not be accumulated from year to year, and employees will not be paid for personal days not taken either during the year or upon termination of employment. Personal days may be used in no less than half-day increments and all personal days must be approved one week in advance by the respective Department Head or the Town Manager. Every effort shall be made to avoid creating an overtime situation when Personal time is used.

Personal leave without pay, not to exceed five (5) days, may be granted at the discretion of the Department Head with approval of the Town Manager. Personal leave with pay, not to exceed five (5) days, may be granted with the employee required to complete an equivalent amount of compensating work time within sixty (60) calendar days. Failure to compensate for time will result in a charge to employee's accumulated vacation time, or failing this, an equivalent loss of salary.

Emergency leave up to three (3) days may be granted at the discretion of the Department Head with authorization of the Town Manager for illness of immediate family and will be deducted from their sick leave.

The provisions of the Family and Medical Leave Act of 1993 shall strictly apply, as appropriate, to all employees of the Town of Gorham. The full text of the FMLA is available at www.dol.gov/esa/whd/fmla.

5.5 MATERNITY LEAVE

A female employee may continue working so long as she is physically able to do her job. A female employee shall be permitted to take a leave of absence for the period of temporary physical disability resulting from pregnancy, childbirth or related medical conditions (doctor's certification). When the employee is physically able to return to work as per a doctor's certification, her original job or a comparable position shall be made available to her by the Town. For all other employment-related purposes, including receipt of benefits under fringe benefit programs, pregnancy, childbirth, and related medical conditions shall be considered temporary disabilities, and a female employee affected by pregnancy, childbirth, or related medical conditions shall be treated in the same manner as any employee affected by any other temporary disability. Employees will be required to take FMLA leave as set forth above, if they are eligible for such leave. In addition, employees will be required to exhaust any accrued sick leave or accrued, unused vacation leave before taking any unpaid leave. If some portion of the employee's absence is

unpaid, the employee should make arrangements with the Director of Finance to pay the employee portion of their health insurance premium. Employees on maternity leave should contact the Director of Finance to make arrangements for payment of their health insurance premiums during their leaves. An employee on maternity leave, who states that she will not be returning to work, will be considered to have resigned as of the date that her leave commenced. It shall be the policy of the Town to comply with applicable federal and state laws existing at the time of absence.

NOTE: In the event of any conflicts between this policy and other Town policies, the provisions of this policy shall govern. The FMLA contains many limitations and qualifications for entitlement and governance of FMLA leave not stated herein. The terms of the FMLA are incorporated herein and will be applied in all instances of requested or designated FMLA leave. The full text of the FMLA is available at www.dol.gov/esa/whd/fmla

In the event of death occurring in the immediate family of an employee of the Police Department, that employee shall be granted leave of absence with pay for the scheduled workdays falling between the time of death and the day of the funeral as defined below. One (1) bereavement day is equivalent to the number of hours the employee works during a regular, currently-assigned shift.
